TITLE 29--LABOR

PART 4 LABOR STANDARDS FOR FEDERAL SERVICE CONTRACTS--Table of Contents

Subpart A Service Contract Labor Standards Provisions and Procedures

Sec. 4.6 Labor standards clauses for Federal service contracts exceeding \$2,500.

The clauses set forth in the following paragraphs shall be included in full by the contracting agency in every contract/Inter-Governmental Service Agreement (IGSA) entered into by the United States or the District of Columbia, in excess of \$2,500, or in an indefinite amount, the principal purpose of which is to furnish services through the use of service employees:

(a) Service Contract Act of 1965, as amended: This contract/IGSA is subject to the Service Contract Act of 1965 as amended (41 U.S.C. 351 et seq.) and is subject to the following provisions and to all other applicable provisions of the Act and regulations of the Secretary of Labor issued there under (29 CFR part 4).

(b)(1) Each service employee employed in the performance of this Contract/IGSA by the contractor or any subcontractor shall be paid not less than the minimum monetary wages and shall be furnished fringe benefits in accordance with the wages and fringe benefits determined by the Secretary of Labor or authorized representative, as specified in any wage determination attached to this contract.

(2)(i) If there is such a wage determination attached to this Contract/IGSA, the contracting officer shall require that any class of service employee which is not listed therein and which is to be employed under the Contract/IGSA (i.e., the work to be performed is not performed by any classification listed in the wage determination), be classified by the contractor so as to provide a reasonable relationship (i.e., appropriate level of skill comparison) between such unlisted classifications and the classifications listed in the wage determination. Such conformed class of employees shall be paid the monetary wages and furnished the fringe benefits as are determined pursuant to the procedures in this section.

(ii) Such conforming procedure shall be initiated by the contractor prior to the performance of contract/IGSA work by such unlisted class of employee. A written report of the proposed conforming action, including information regarding the agreement or disagreement of the authorized representative of the employees involved or, where there is no authorized representative, the employees themselves, shall be submitted by the contractor to the contracting officer no later than 30 days after such unlisted class of employees performs any Contract/IGSA work. The contracting officer shall review the proposed action and promptly submit a report of the action, together with the agency's recommendation and all pertinent information including the position of the contractor and the employees, to the Wage and Hour Division, Employment Standards Administration, U.S. Department of Labor, for review. The Wage and Hour Division will approve, modify, or disapprove the action or render a final determination in the event of disagreement within 30 days of receipt or will notify the contracting officer within 30 days of receipt that additional time is necessary.

(iii) The final determination of the conformance action by the Wage and Hour Division shall be transmitted to the contracting officer who shall promptly notify the contractor of the action taken. Each affected employee shall be furnished by the contractor with a written copy of such determination or it shall be posted as a part of the wage determination.

(iv)(A) The process of establishing wage and fringe benefit rates that bears a reasonable relationship to those listed in a wage determination cannot be [[Page 41]] reduced to any single formula. The approach used may vary from wage determination to wage determination depending on the circumstances. Standard wage and salary administration practices, which rank various job classifications by pay grade pursuant to point schemes or other job factors may, for example, be relied upon. Guidance may also be obtained from the way different jobs are rated under Federal pay systems (Federal Wage Board Pay System and the General Schedule) or from other wage determinations issued in the same locality. Basic to the establishment of any conformable wage rate(s) is the concept that a pay relationship should be maintained between job classifications based on the skill required and the duties performed.

(B) In the case of a Contract/IGSA modification, an exercise of an option or extension of an existing contract, or in any other case where a contractor succeeds a Contract/IGSA under which the classification in question was previously conformed pursuant to this section, a new conformed wage rate and fringe benefits may be assigned to such conformed classification by indexing (i.e., adjusting) the previous conformed rate and fringe benefits by an amount equal to the average (mean) percentage increase (or decrease, where appropriate) between the wages and fringe benefits specified for all classifications to be used on the Contract/IGSA which are listed in the current wage determination, and those specified for the corresponding classifications in the previously applicable wage determination. Where conforming actions are accomplished in accordance with this paragraph prior to the performance of Contract/IGSA work by the unlisted class of employees, the contractor shall advise the contracting officer of the action taken but the other procedures in paragraph (b) (2) (ii) of this section need not be followed.

(C) No employee engaged in performing work on this Contract/IGSA shall in any event be paid less than the currently applicable minimum wage specified under section 6(a) (1) of the Fair Labor Standards Act of 1938, as amended. (v) The wage rate and fringe benefits finally determined pursuant to paragraphs (b)(2)(i) and (ii) of this section shall be paid to all employees performing in the classification from the first day on which Contract/IGSA work is performed by them in the classification. Failure to pay such unlisted employees the compensation agreed upon by the interested parties and/or finally determined by the Wage and Hour Division retroactive to the date such class of employees commenced Contract/IGSA work shall be a violation of the Act and this contract.(vi) Upon discovery of failure to comply with paragraphs (b)(2)(i) through (v) of this section, the Wage and Hour Division shall make a final determination of conformed classification, wage rate, and/or fringe benefits which shall be retroactive to the date such class of employees commenced Contract/IGSA work.

(3) If, as authorized pursuant to section 4(d) of the Service Contract Act of 1965 as amended, the term of this Contract/IGSA is more than 1 year, the minimum monetary wages and fringe benefits required to be paid or furnished there under to service employees shall be subject to adjustment after 1 year and not less often than once every 2 years, pursuant to wage

Attachment 2

determinations to be issued by the Wage and Hour Division, Employment Standards Administration of the Department of Labor as provided in such Act.

(c) The contractor or subcontractor may discharge the obligation to furnish fringe benefits specified in the attachment or determined conformably thereto by furnishing any equivalent combinations of bona fide fringe benefits, or by making equivalent or differential payments in cash in accordance with the applicable rules set forth in subpart D of 29 CFR part 4, and not otherwise.

(d)(1) In the absence of a minimum wage attachment for this contract, neither the contractor nor any subcontractor under this Contract/IGSA shall pay any person performing work under the Contract/IGSA (regardless of whether they are service employees) less than the minimum wage specified by section 6(a)(1) of the Fair Labor Standards Act of 1938. Nothing in this provision shall relieve the contractor or any subcontractor of any other obligation under [[Page 42]] law or Contract/IGSA for the payment of a higher wage to any employee.

(2) If this Contract/IGSA succeeds a contract, subject to the Service Contract Act of 1965 as amended, under which substantially the same services were furnished in the same locality and service employees were paid wages and fringe benefits provided for in a collective bargaining agreement, in the absence of the minimum wage attachment for this Contract/IGSA setting forth such collectively bargained wage rates and fringe benefits, neither the contractor nor any subcontractor under this Contract/IGSA shall pay any service employee performing any of the Contract/IGSA work (regardless of whether or not such employee was employed under the predecessor contract), less than the wages and fringe benefits provided for in such collective bargaining agreements, to which such employee would have been entitled if employed under the predecessor contract, including accrued wages and fringe benefits and any prospective increases in wages and fringe benefits provided for under such agreement. No contractor or subcontractor under this Contract/IGSA may be relieved of the foregoing obligation unless the limitations of Sec. 4.1b(b) of 29 CFR part 4 apply or unless the Secretary of Labor or his authorized representative finds, after a hearing as provided in Sec. 4.10 of 29 CFR part 4 that the wages and/or fringe benefits provided for in such agreement are substantially at variance with those which prevail for services of a character similar in the locality, or determines, as provided in Sec. 4.11 of 29 CFR part 4, that the collective bargaining agreement applicable to service employees employed under the predecessor Contract/IGSA was not entered into as a result of arm's-length negotiations. Where it is found in accordance with the review procedures provided in 29 CFR 4.10 and/or 4.11 and parts 6 and 8 that some or all of the wages and/or fringe benefits contained in a predecessor contractor's collective bargaining agreement are substantially at variance with those which prevail for services of a character similar in the locality, and/or that the collective bargaining agreement applicable to service employees employed under the predecessor Contract/IGSA was not entered into as a result of arm's-length negotiations, the Department will issue a new or revised wage determination setting forth the applicable wage rates and fringe benefits. Such determination shall be made part of the Contract/IGSA or subcontract, in accordance with the decision of the Administrator, the Administrative Law Judge, or the Administrative Review Board, as the case may be, irrespective of whether such issuance occurs prior to or after the award of a Contract/IGSA or subcontract. 53 Comp. Gen. 401 (1973). In the case of a wage determination issued solely as a result of a finding of substantial variance, such determination shall be effective as of the date of the final administrative decision.

Attachment 2

(e) The contractor and any subcontractor under this Contract/IGSA shall notify each service employee commencing work on this Contract/IGSA of the minimum monetary wage and any fringe benefits required to be paid pursuant to this contract, or shall post the wage determination attached to this contract. The poster provided by the Department of Labor (Publication WH 1313) shall be posted in a prominent and accessible place at the worksite. Failure to comply with this requirement is a violation of section 2(a) (4) of the Act and of this contract.

(f) The contractor or subcontractor shall not permit any part of the services called for by this Contract/IGSA to be performed in buildings or surroundings or under working conditions provided by or under the control or supervision of the contractor or subcontractor which are unsanitary or hazardous or dangerous to the health or safety of service employees engaged to furnish these services, and the contractor or subcontractor shall comply with the safety and health standards applied under 29 CFR part 1925.

(g)(1) The contractor and each subcontractor performing work subject to the Act shall make and maintain for 3 years from the completion of the work records containing the information specified in paragraphs (g)(1) (i) through (vi) of this section for each employee subject to the Act and shall make them available for inspection [[Page 43]] and transcription by authorized representatives of the Wage and Hour Division, Employment Standards Administration of the U.S. Department of Labor:

(i) Name and address and social security number of each employee.

(ii) The correct work classification or classifications, rate or rates of monetary wages paid and fringe benefits provided, rate or rates of fringe benefit payments in lieu thereof, and total daily and weekly compensation of each employee.

(iii) The number of daily and weekly hours so worked by each employee.

(iv) Any deductions, rebates, or refunds from the total daily or weekly compensation of each employee.

(v) A list of monetary wages and fringe benefits for those classes of service employees not included in the wage determination attached to this Contract/IGSA but for which such wage rates or fringe benefits have been determined by the interested parties or by the Administrator or authorized representative pursuant to the labor standards clause in paragraph (b) of this section. A copy of the report required by the clause in Paragraph (b) (2) (ii) of this section shall be deemed to be such a list.

(vi) Any list of the predecessor contractor's employees which had been furnished to the contractor pursuant to Sec. 4.6(l)(2).

(2) The contractor shall also make available a copy of this Contract/IGSA for inspection or transcription by authorized representatives of the Wage and Hour Division.

Attachment 2

(3) Failure to make and maintain or to make available such records for inspection and transcription shall be a violation of the regulations and this contract, and in the case of failure to produce such records, the contracting officer, upon direction of the Department of Labor and notification of the contractor, shall take action to cause suspension of any further payment or advance of funds until such violation ceases.

(4) The contractor shall permit authorized representatives of the Wage and Hour Division to conduct interviews with employees at the worksite during normal working hours.

(h) The contractor shall unconditionally pay to each employee subject to the Act all wages due free and clear and without subsequent deduction (except as otherwise provided by law or Regulations, 29 CFR part 4), rebate, or kickback on any account. Such payments shall be made no later than one pay period following the end of the regular pay period in which such wages were earned or accrued. A pay period under this Act may not be of any duration longer than semi-monthly.

(i) The contracting officer shall withhold or cause to be withheld from the Government prime contractor under this or any other Government Contract/IGSA with the prime contractor such sums as an appropriate official of the Department of Labor requests or such sums as the contracting officer decides may be necessary to pay underpaid employees employed by the contractor or subcontractor. In the event of failure to pay any employees subject to the Act all or part of the wages or fringe benefits due under the Act, the agency may, after authorization or by direction of the Department of Labor and written notification to the contractor, take action to cause suspension of any further payment or advance of funds until such violations have ceased. Additionally, any failure to comply with the requirements of these clauses relating to the Service Contract Act of 1965, may be grounds for termination of the right to proceed with the Contract/IGSA work. In such event, the Government may enter into other contracts or arrangements for completion of the work, charging the contractor in default with any additional cost.

(j) The contractor agrees to insert these clauses in this section relating to the Service Contract Act of 1965 in all Subcontracts subject to the Act. The term contractor as used in these clauses in any subcontract shall be deemed to refer to the subcontractor, except in the term Government prime contractor.

(k)(1) As used in these clauses, the term service employee means any person engaged in the performance of this Contract/IGSA other than any person employed in a bona fide executive, administrative, or professional capacity, as those terms are defined in part 541 of title 29, Code of Federal Regulations, as of July [[Page44)) 30, 1976, and any subsequent revision of those regulations. The term service employee includes all such persons regardless of any contractual relationship that may be alleged to exist between a contractor or subcontractor and such persons.

(2) The following statement is included in contracts pursuant to section 2(a) (5) of the Act and is for informational purposes only:

The following classes of service employees expected to be employed under the Contract/IGSA with the Government would be subject, if employed by the contracting agency, to the provisions

Attachment 2

of 5 U.S.C. 5341 or 5 U.S.C. 5332 and would, if so employed, be paid not less than the following rates of wages and fringe benefits:

Employee class	wage-fringe benefit
GS-05	\$13.41
GS-07	\$16.61
GS-09	\$20.32

(l)(1) If wages to be paid or fringe benefits to be furnished any service employees employed by the Government prime contractor or any subcontractor under the Contract/IGSA are provided for in a collective bargaining agreement which is or will be effective during any period in which the Contract/IGSA is being performed, the Government prime contractor shall report such fact to the contracting officer, together with full information as to the application and accrual of such wages and fringe benefits, including any prospective increases, to service employees engaged in work on the contract, and a copy of the collective bargaining agreement. Such report shall be made upon commencing performance of the contract, in the case of collective bargaining agreements effective at such time, and in the case of such agreements or provisions or amendments thereof effective at a later time during the period of Contract/IGSA performance, such agreements shall be reported promptly after negotiation thereof.

(2) Not less than 10 days prior to completion of any Contract/IGSA being performed at a Federal facility where service employees may be retained in the performance of the succeeding Contract/IGSA and subject to a wage determination which contains vacation or other benefit provisions based upon length of service with a contractor (predecessor) or successor (Sec. 4.173 of Regulations, 29 CFR part 4), the incumbent prime contractor shall furnish to the contracting officer a certified list of the names of all service employees on the contractor's or subcontractor's payroll during the last month of Contract/IGSA performance. Such list shall also contain anniversary dates of employment on the Contract/IGSA either with the current or predecessor contractors of each such service employee. The contracting officer shall turn over such list to the successor contractor at the commencement of the succeeding contract.

(m) Rulings and interpretations of the Service Contract Act of 1965, as amended, are contained in Regulations, 29 CFR part 4.

(n)(1) By entering into this contract, the contractor (and officials thereof) certifies that neither it (nor he or she) nor any person or firm who has a substantial interest in the contractor's firm is a person or firm ineligible to be awarded Government contracts by virtue of the sanctions imposed pursuant to section 5 of the Act.

Attachment 2

(2) No part of this Contract/IGSA shall be subcontracted to any person or firm ineligible for award of a Government Contract/IGSA pursuant to section 5 of the Act.

(3) The penalty for making false statements is prescribed in the U.S. Criminal Code, 18 U.S.C. 1001.

(o) Notwithstanding any of the clauses in paragraphs (b) through (m) of this section relating to the Service Contract Act of 1965, the following employees may be employed in accordance with the following variations, tolerances, and exemptions, which the Secretary of Labor, pursuant to section 4(b) of the Act prior to its amendment by Public Law 92-473, found to be necessary and proper in the public interest or to avoid serious impairment of the conduct of Government business:

(1) Apprentices, student-learners, and workers whose earning capacity is impaired by age, physical, or mental deficiency or injury may be employed at wages lower than the minimum wages otherwise required by section 2(a) (1) or [[Page 45]]

(2)(b)(1) of the Service Contract Act without diminishing any fringe benefits or cash payments in lieu thereof required under section 2(a) (2) of that Act, in accordance with the conditions and procedures prescribed for the employment of apprentices, student-learners, handicapped persons, and handicapped clients of sheltered workshops under section 14 of the Fair Labor Standards Act of 1938, in the regulations issued by the Administrator (29 CFR parts 520, 521, 524, and 525).

(3) The Administrator will issue certificates under the Service Contract Act for the employment of apprentices, student-learners, handicapped persons, or handicapped clients of sheltered workshops not subject to the Fair Labor Standards Act of 1938, or subject to different minimum rates of pay under the two acts, authorizing appropriate rates of minimum wages (but without changing requirements concerning fringe benefits or supplementary cash payments in lieu thereof), applying procedures prescribed by the applicable regulations issued under the Fair Labor Standards Act of 1938 (29 CFR parts 520, 521, 524, and 525).

(4) The Administrator will also withdraw, annul, or cancel such certificates in accordance with the regulations in parts 525 and 528 of title 29 of the Code of Federal Regulations.

(p) Apprentices will be permitted to work at less than the predetermined rate for the work they perform when they are employed and individually registered in a bona fide apprenticeship program registered with a State Apprenticeship Agency which is recognized by the U.S. Department of Labor, or if no such recognized agency exists in a State, under a program registered with the Bureau of Apprenticeship and Training, Employment and Training Administration, U.S. Department of Labor. Any employee who is not registered as an apprentice in an approved program shall be paid the wage rate and fringe benefits contained in the applicable wage determination for the journeyman classification of work actually performed. The wage rates paid apprentices shall not be less than the wage rate for their level of progress set forth in the registered program, expressed as the appropriate percentage of the journeyman's rate contained in the applicable wage determination. The allowable ratio of apprentices to journeymen employed on the Contract/IGSA work in any craft classification shall not be greater than the ratio permitted to the contractor as to his entire work force under the registered program.

GENERAL

The United States Immigration and Customs Enforcement (ICE) has determined that performance of the tasks as described in IGSA EROIGSA-15-0006 requires that the Contractor, subcontractor(s), vendor(s), etc. (herein known as Contractor) have access to sensitive DHS information, and that the Contractor will adhere to the following.

PRELIMINARY FITNESS DETERMINATION

ICE will exercise full control over granting; denying, withholding or terminating unescorted government facility and/or sensitive Government information access for Contractor employees, based upon the results of a background investigation. ICE may, as it deems appropriate, authorize and make a favorable expedited pre-employment determination based on preliminary security checks. The expedited pre-employment determination will allow the employees to commence work temporarily prior to the completion of the full investigation. The granting of a favorable pre-employment determination shall not be considered as assurance that a favorable full employment determination will follow as a result thereof. The granting of a favorable pre-employment determination or a full employment determination shall in no way prevent, preclude, or bar the withdrawal or termination of any such access by ICE, at any time during the term of the contract. No employee of the Contractor shall be allowed to enter on duty and/or access sensitive information or systems without a favorable preliminary fitness determination or final fitness determination by the Office of Professional Responsibility, Personnel Security Unit (OPR-PSU). No employee of the Contractor shall be allowed unescorted access to a Government facility without a favorable pre-employment determination or full employment determination by the OPR-PSU. Contract employees are processed under the ICE Management Directive 6-8.0. The contractor shall comply with the pre-screening requirements specified in the DHS Special Security Requirement – Contractor Pre-Screening paragraph located in this contract, if HSAR clauses 3052.204-70, Security Requirements for Unclassified Information Technology (IT) Resources; and/or 3052.204-71, Contractor Employee Access are included in the Clause section of this contract.

Background investigations will be processed through the Personnel Security Unit. Prospective Contractor employees shall submit the following completed forms to the Personnel Security Unit through the Contracting Offices Representative (COR), no less than 35 days before the starting date of the contract or 5 days prior to the expected entry on duty of any employees, whether a replacement, addition, subcontractor employee, or vendor:

Performance Work Statement

I. INTRODUCTION

A. Background

Enforcement and Removal Operations (ERO), a component of U.S. Immigration and Customs Enforcement (ICE), maintains custody of one of the most highly transient and diverse populations of any detention system in the nation. These detainees are housed in authorized facilities nationwide including local facilities operating under Inter-Governmental Service Agreements (IGSAs), private Contract Detention Facilities (CDFs), and ICE-owned Service Processing Centers (SPC).

A key goal of Immigration Detention Reform is to create a civil detention system that is not penal in nature and serves the needs of ICE to provide safe and secure conditions based on characteristics of a diverse population including an individual's perceived threat to the community, risk of flight, type and status of immigration proceeding, community ties, and medical and mental health issues.

B. Scope of Work Performance

This Performance Work Statement (PWS) sets forth the Agreement's performance requirements for IGSA-provided detention facilities and services for ICE detainees.

The Facility's operation shall reflect the PBNDS Expected Outcomes as summarized and outlined at length in Attachment 1, Performance Outcomes, 2011 Performance-Based National Detention Standards (PBNDS). 19. The COR is responsible for approving the proposed safes/vaults prior to usage. Contract supervisors and guards shall make accurate receipt and return entries on a Firearms and Equipment Control Register.
20. Except when issuing or returning ammunition or firearms, each safe/vault shall remain locked at all times.
21. The Service Provider shall be responsible for having the combination of each safe/vault changed at least once every six months, or more often if circumstances warrant.
22. The Service Provider certifies firearms training to the COR.
23. The Service Provider shall certify proficiency every quarter.
24. The Service Provider shall provide an ICE approved intermediate weapon(s).

B. Body Armor Requirements

1. The Service Provider shall provide body armor to all armed Detention Officers and armed supervisor(s).
2. Body armor shall be worn while on armed duty.
3. The body armor shall meet all requirements as set forth in the ICE Firearms Policy.
4. The Service Provider shall procure replacement body armor if the body armor becomes unserviceable, ill-fitting, worn/damaged, or at the expiration of service life.
5. All armed Detention Officers and armed supervisors need to be made aware of the health risks associated with the wearing of body armor in high heat/high humidity conditions and/or during strenuous exertion. When Detention Officers and supervisors are required to wear body armor, they shall be provided opportunities to rehydrate and remove the body armor as necessary.
6. The use of personally owned body armor is not authorized.

QUALITY ASSURANCE SURVEILLANCE PLAN

1. INTRODUCTION

ICE's Quality Assurance Surveillance Plan (QASP) is based on the premise that the Service Provider, and not the Government, is responsible for the day-to-day operation of the Facility and all the management and quality control actions required to meet the terms of the Agreement. The role of the Government in quality assurance is to ensure performance standards are achieved and maintained. The Service Provider shall develop a comprehensive program of inspections and monitoring actions and document its approach in a Quality Control Plan (QCP). The Service Provider's QCP, upon approval by the Government, will be made a part of the resultant Agreement.

This QASP is designed to provide an effective surveillance method to monitor the Service Provider's performance relative to the requirements listed in the Agreement. The QASP illustrates the systematic method the Government (or its designated representative) will use to evaluate the services the Service Provider is required to furnish.

This QASP is based on the premise the Government will validate that the Service Provider is complying with ERO-mandated quality standards in operating and maintaining detention facilities. Performance standards address all facets of detainee handling, including safety, health, legal rights, facility and records management, etc. Good management by the Service Provider and use of an approved QCP will ensure that the Facility is operating within acceptable quality levels.

2. DEFINITIONS

Performance Requirements Summary (Attachment A): The Performance Requirements Summary (PRS) communicates what the Government intends to qualitatively inspect. The PRS is based on the American Correctional Association (ACA) Standards for Adult Local Detention Facilities (ALDF) and ICE 2011 Performance Based National Detention Standards (PBNDS). The PRS identifies performance standards grouped into nine functional areas, and quality levels essential for successful performance of each requirement. The PRS is used by ICE when conducting quality assurance surveillance to guide them through the inspection and review processes.

Functional Area: A logical grouping of performance standards.

Contracting Officer's Technical Representative (COTR): The COTR interacts with the Service Provider to inspect and accept services/work performed in accordance with the technical standards prescribed in the Agreement. The Contracting Officer issues a written memorandum that appoints the COTR. Other individuals may be designated to assist in the inspection and quality assurance surveillance activities.

Performance Standards: The performance standards are established in the ERO ICE 2011 PBNDS at <http://www.ice.gov/detention-standards/2011> as well as the ACA standards for ALDF. Other standards may also be defined in the Agreement.

Measures: The method for evaluating compliance with the standards.

Acceptable Quality Level: The minimum level of quality that will be accepted by ICE to meet the performance standard.

Withholding: Amount of monthly invoice payment withheld pending correction of a deficiency. See Attachment A for information on the percentages of an invoice amount that may be withheld for each functional area. Funds withheld from payment are recoverable (See Sections 7 and 8) if the COTR and Contracting Officer confirm resolution or correction, and should be included in the next month's invoice.

Deduction: Funds may be deducted from a monthly invoice for an egregious act or event, or if the same deficiency continues to occur. The Service Provider will be notified immediately if such a situation arises. The Contracting Officer in consultation with the ERO will determine the amount of the deduction. Amounts deducted are not recoverable.

4. QUALITY CONTROL PLAN

The Service Provider shall develop, implement, and maintain a Quality Control Plan (QCP) that illustrates the methods it will use to review its performance to ensure it conforms to the performance requirements. (See Attachment A for a summary list of performance requirements.) Such reviews shall be performed by the Service Provider to validate its operations, and assure ICE that the services meet the performance standards.

The Service Provider's QCP shall include monitoring methods that ensure and demonstrate its compliance with the performance standards. This includes inspection methods and schedules that are consistent with the regular reviews conducted by ERO. The reports and other results generated by the Service Provider's QCP activities should be provided to the COTR as requested.

The frequency and type of the Service Provider's reviews should be consistent with what is necessary in order to ensure compliance with the performance standards.

The Service Provider is encouraged not to limit its inspection to only the processes outlined in the 2011 PBNDS; however, certain key documents shall be produced by the Service Provider to ensure that the services meet the performance standards. Some of the documentation that shall be generated and made available to the COTR for inspection is listed below. The list is intended as illustrative and is not all-inclusive. The Service Provider shall develop and implement a program that addresses the specific requirement of each standard and the means it will use to document compliance.

- Written policies and procedures to implement and assess operational requirements of the standard
- Documentation and record keeping to ensure ongoing operational compliance with the standards (e.g.; inventories, logbooks, register of receipts, reports, etc.)
- Staff training records
- Contract discrepancy reports (CDRs)
- Investigative reports

- Medical records
- Records of investigative actions taken
- Equipment inspections
- System tests and evaluation

5. METHODS OF SURVEILLANCE

ICE will monitor the Service Provider's compliance with the Performance Standards using a variety of methods. All facilities will be subject to a full annual inspection, which will include a review of the Service Provider's QCP activities. In addition, ICE may conduct additional routine, follow-up, or unscheduled ad hoc inspections as necessary (for instance, as a result of unusual incidents or data reflected in routine monitoring). ICE may also maintain an on-site presence in some facilities in order to conduct more regular or frequent monitoring. Inspections and monitoring may involve direct observation of facility conditions and operations, review of documentation (including QCP reports), and/or interviews of facility personnel and detainees.

5.1 Documentation Requirements: The Service Provider shall develop and maintain all documentation as prescribed in the PBNDS (e.g., post logs, policies, and records of corrective actions). In addition to the documentation prescribed by the standards, the Service Provider shall also develop and maintain documentation that demonstrates the results of its own inspections as prescribed in its QCP. The Government may review 100% of the documents, or a representative sample, at any point during the period of performance.

6. FUNCTIONAL PERFORMANCE AREAS AND STANDARDS

To facilitate the performance review process, the required performance standards are organized into nine functional areas. Each functional area represents a proportionate share (i.e., weight) of the monthly invoice amount payable to the Service Provider based on meeting the performance standards. Payment withholdings and deductions will be based on these percentages and weights applied to the overall monthly invoice.

ICE may, consistent with the scope the Agreement, unilaterally change the functional areas and associated standards affiliated with a specific functional area. The Contracting Officer will notify the Service Provider at least 30 calendar days in advance of implementation of the new standard(s). If the Service Provider is not provided with the notification, adjustment to the new standard shall be made within 30 calendar days after notification. If any change affects pricing, the Service Provider may submit a request for equitable price adjustment in accordance with the "Changes" clause. ICE reserves the right to develop and implement new inspection techniques and instructions at any time during performance without notice to the Service Provider, so long as the standards are not more stringent than those being replaced.

7. FAILURE TO MEET PERFORMANCE STANDARDS

Performance of services in conformance with the PRS standards is essential for the Service Provider to receive full payment as identified in the Agreement. The Contracting Officer may take withholdings or deductions against the monthly invoices for unsatisfactory performance documented through surveillance of the Service Provider's activities gained through site inspections, reviews of documentation (including monthly QCP reports), interviews and other

feedback. As a result of its surveillance, the Service Provider will be assigned the following rating relative to each performance standard:

Rating	Description
Acceptable	Based on the measures, the performance standard is demonstrated.
Deficient	Based on the measures, compliance with most of the attributes of the performance standard is demonstrated or observed with some area(s) needing improvement. There are no critical areas of unacceptable performance
At-Risk	Based on the performance measures, the majority of a performance standard's attributes are not met.

Using the above standards as a guide, the Contracting Officer will implement adjustments to the Service Provider's monthly invoice as prescribed in Attachment A.

Rather than withholding funds until a deficiency is corrected, there may be times when an event or a deficiency is so egregious that the Government **deducts** (vs. "withholds") amounts from the Service Provider's monthly invoice. This may happen when a significant event occurs, when a particular deficiency is noted multiple times without correction, or when the Service Provider has failed to take timely action on a deficiency about which he was properly and timely notified. The amount deducted will be consistent with the relative weight of the functional performance area where the deficiency was noted. The deduction may be a one-time event, or may continue until the Service Provider has either corrected the deficiency, or made substantial progress in the correction.

Further, a deficiency found in one functional area may tie into another. If a detainee escaped, for example, a deficiency would be noted in "Security," but may also relate to a deficiency in the area of "Administration and Management." In no event will the withhold or deduction exceed 100% of the invoice amount.

8. NOTIFICATIONS

- (a) Based on the inspection of the Service Provider's performance, the COTR will document instances of deficient or at-risk performance (e.g., noncompliance with the standard) using the CDR located at Attachment B. To the extent practicable, issues should be resolved informally, with the COTR and Service Provider working together. When documentation of an issue or deficiency is required, the procedures set forth in this section will be followed.
- (b) When a CDR is required to document performance issues, it will be submitted to the Service Provider with a date when a response is due. Upon receipt of a CDR, the Service Provider shall immediately assess the situation and either correct the deficiency as quickly as possible or prepare a corrective action plan. In either event, the Service Provider shall return the CDR with the action planned or taken noted. After the COTR reviews the Service Provider's response to the CDR including its planned remedy or corrective action taken, the COTR will either accept the plan or correction or reject the correction or plan for revision and provide an

explanation. This process should take no more than one week. The CDR shall not be used as a substitute for quality control by the Service Provider.

- (c) The COTR, in addition to any other designated ICE official, shall be notified immediately in the event of all emergencies. Emergencies include, but are not limited to the following: activation of disturbance control team(s); disturbances (including gang activities, group demonstrations, food boycotts, work strikes, work-place violence, civil disturbances, or protests); staff use of force including use of lethal and less-lethal force (includes detainees in restraints more than eight hours); assaults on staff or detainees resulting in injuries requiring medical attention (does not include routine medical evaluation after the incident); fights resulting in injuries requiring medical attention; fires; full or partial lock down of the Facility; escape; weapons discharge; suicide attempts; deaths; declared or non-declared hunger strikes; adverse incidents that attract unusual interest or significant publicity; adverse weather (e.g., hurricanes, floods, ice or snow storms, heat waves, tornadoes); fence damage; power outages; bomb threats; significant environmental problems that impact the Facility operations; transportation accidents resulting in injuries, death or property damage; and sexual assaults. Note that in an emergency situation, a CDR may not be issued until an investigation has been completed.
- (d) If the COTR concludes that the deficient or at-risk performance warrants a withholding or deduction, the COTR will include the CDR in its monthly report, with a copy to the Contracting Officer. The CDR will be accompanied by the COTR's investigation report and written recommendation for any withholding. The Contracting Officer will consider the COTR's recommendation and forward the CDR along with any relevant supporting information to the Service Provider in order to confirm or further discuss the prospective cure, including the Government's proposed course of action. As described in section 7 above, portions of the monthly invoice amount may be withheld until such time as the corrective action is completed, *or* a deduction may be taken.
- (e) Following receipt of the Service Provider's notification that the correction has been made, the COTR may re-inspect the Facility. Based upon the COTR's findings, he or she will recommend that the Contracting Officer continue to withhold a proportionate share of the payment until the correction is made, or accept the correction as final and release the full amount withheld for that issue.
- (f) If funds have been withheld and either the Government or the Service Provider terminates the Agreement, those funds will not be released. The Service Provider may only receive withheld payments upon successful correction of an instance of non-compliance. Further, the Service Provider is not relieved of full performance of the required services hereunder; the Agreement may be terminated upon adequate notice from the Government based upon any one instance, or failure to remedy deficient performance, even if a deduction was previously taken for any inadequate performance.
- (g) The COTR will maintain a record of all open and resolved CDRs.

9. DETAINEE OR MEMBER OF THE PUBLIC COMPLAINTS

The detainee and the public are the ultimate recipients of the services identified in this Agreement. Any complaints made known to the COTR will be logged and forwarded to the Service Provider for remedy. Upon notification, the Service Provider shall be given a pre-specified number of hours after verbal notification from the COTR to address the issue. The Service Provider shall submit documentation to the COTR regarding the actions taken to remedy the situation. If the complaint is found to be invalid, the Service Provider shall document its findings and notify the COTR.

DHS PREA STANDARDS

This document incorporates the requirements from Subpart A of the U.S. Department of Homeland Security (DHS) regulation titled, “Standards to Prevent, Detect, and Respond to Sexual Abuse and Assault in Confinement Facilities,” 79 Fed. Reg. 13100 (Mar. 7, 2014) that are specifically applicable to detention facilities. Requirements that are applicable to the agency only have not been included, and accordingly, the numbering and sequential order within each of the below sections may not necessarily reflect those contained in Subpart A. Where any requirements of the DHS standards may conflict with the terms of the ICE detention standards currently applicable at the facility, the DHS PREA standards shall supersede:

115.6 Definitions Related to Sexual Abuse and Assault

- (1) Sexual abuse includes –
 - (a) Sexual abuse and assault of a detainee by another detainee; and
 - (b) Sexual abuse and assault of a detainee by a staff member, contractor, or volunteer.
- (2) Sexual abuse of a detainee by another detainee includes any of the following acts by one or more detainees, prisoners, inmates, or residents of the facility in which the detainee is housed who, by force, coercion, or intimidation, or if the victim did not consent or was unable to consent or refuse, engages in or attempts to engage in:
 - (a) Contact between the penis and the vulva or anus and, for purposes of this subparagraph, contact involving the penis upon penetration, however slight;
 - (b) Contact between the mouth and the penis, vulva, or anus;
 - (c) Penetration, however, slight, of the anal or genital opening of another person by a hand or finger or by any object;
 - (d) Touching of the genitalia, anus, groin, breast, inner thighs or buttocks, either directly or through the clothing, with an intent to abuse, humiliate, harass, degrade or arouse or gratify the sexual desire of any person; or
 - (e) Threats, intimidation, or other actions or communications by one or more detainees aimed at coercing or pressuring another detainee to engage in a sexual act.
- (3) Sexual abuse of a detainee by a staff member, contractor, or volunteer includes any of the following acts, if engaged in by one or more staff members, volunteers, or contract personnel who, with or without the consent of the detainee, engages in or attempts to engage in:
 - (a) Contact between the penis and the vulva or anus and, for purposes of this subparagraph, contact involving the penis upon penetration, however slight;
 - (b) Contact between the mouth and the penis, vulva, or anus;
 - (c) Penetration, however slight, of the anal or genital opening of another person by a hand or finger or by any object that is unrelated to official duties or where the staff member, contractor, or volunteer has the intent to abuse, arouse, or gratify sexual desire;

- (d) Intentional touching of the genitalia, anus, groin, breast, inner thighs or buttocks, either directly or through the clothing, that is unrelated to official duties or where the staff member, contractor, or volunteer has the intent to abuse, arouse, or gratify sexual desire;
- (e) Threats, intimidation, harassment, indecent, profane or abusive language, or other actions or communications, aimed at coercing or pressuring a detainee to engage in a sexual act;
- (f) Repeated verbal statements or comments of a sexual nature to a detainee;
- (g) Any display of his or her uncovered genitalia, buttocks, or breast in the presence of an inmate, detainee, or resident, or
- (h) Voyeurism, which is defined as the inappropriate visual surveillance of a detainee for reasons unrelated to official duties. Where not conducted for reasons relating to official duties, the following are examples of voyeurism: staring at a detainee who is using a toilet in his or her cell to perform bodily functions; requiring an inmate detainee to expose his or her buttocks, genitals, or breasts; or taking images of all or part of a detainee's naked body or of a detainee performing bodily functions.

PREVENTION PLANNING

115.11 Zero tolerance of sexual abuse; Prevention of Sexual Assault Coordinator.

- (1) Each facility shall have a written policy mandating zero tolerance toward all forms of sexual abuse and outlining the facility's approach to preventing, detecting, and responding to such conduct. The agency shall review and approve each facility's written policy.
- (2) Each facility shall employ or designate a Prevention of Sexual Assault Compliance Manager (PSA Compliance Manager) who shall serve as the facility point of contact for the ICE PSA Coordinator and who has sufficient time and authority to oversee facility efforts to comply with facility sexual abuse prevention and intervention policies and procedures.

115.13 Detainee supervision and monitoring.

- (1) Each facility shall ensure that it maintains sufficient supervision of detainees, including through appropriate staffing levels and, where applicable, video monitoring, to protect detainees against sexual abuse.
- (2) Each facility shall develop and document comprehensive detainee supervision guidelines to determine and meet the facility's detainee supervision needs, and shall review those guidelines at least annually.
- (3) In determining adequate levels of detainee supervision and determining the need for video monitoring, the facility shall take into consideration generally accepted detention and correctional practices, any judicial findings of inadequacy, the physical layout of each facility, the composition of the detainee population, the prevalence of substantiated and unsubstantiated incidents of sexual abuse, the findings and recommendations of sexual abuse incident review reports, and any other relevant factors, including but not limited to the length of time detainees spend in agency custody.

- (4) Each facility shall conduct frequent unannounced security inspections to identify and deter sexual abuse of detainees. Such inspections shall be implemented for night as well as day shifts. Each facility shall prohibit staff from alerting others that these security inspections are occurring, unless such announcement is related to the legitimate operational functions of the facility.

115.15 Limits to cross-gender viewing and searches.

- (1) Searches may be necessary to ensure the safety of officers, civilians and detainees; to detect and secure evidence of criminal activity; and to promote security, safety, and related interests at immigration detention facilities.
- (2) Cross-gender pat-down searches of male detainees shall not be conducted unless, after reasonable diligence, staff of the same gender is not available at the time the pat-down search is required or in exigent circumstances.
- (3) Cross-gender pat-down searches of female detainees shall not be conducted unless in exigent circumstances.
- (4) All cross-gender pat-down searches shall be documented.
- (5) Cross-gender strip searches or cross-gender visual body cavity searches shall not be conducted except in exigent circumstances, including consideration of officer safety, or when performed by medical practitioners. Facility staff shall not conduct visual body cavity searches of juveniles and, instead, shall refer all such body cavity searches of juveniles to a medical practitioner.
- (6) All strip searches and visual body cavity searches shall be documented.
- (7) Each facility shall implement policies and procedures that enable detainees to shower, perform bodily functions, and change clothing without being viewed by staff of the opposite gender, except in exigent circumstances or when such viewing is incidental to routine cell checks or is otherwise appropriate in connection with a medical examination or monitored bowel movement. Such policies and procedures shall require staff of the opposite gender to announce their presence when entering an area where detainees are likely to be showering, performing bodily functions, or changing clothing.
- (8) The facility shall not search or physically examine a detainee for the sole purposes of determining the detainee's genital characteristics. If the detainee's gender is unknown, it may be determined during conversations with the detainee, by reviewing medical records, or, if necessary, learning that information as part of a standard medical examination that all detainees must undergo as part of intake or other processing procedure conducted in private, by a medical practitioner.

115.16 Accommodating detainees with disabilities and detainees who are limited English proficient.

- (1) The agency and each facility shall take appropriate steps to ensure that detainees with disabilities (including, for example, detainees who are deaf or hard of hearing, those who are blind or have low vision, or those who have intellectual, psychiatric, or speech disabilities) have an equal opportunity to participate in or benefit from all aspects of the agency's and facility's efforts to prevent, detect, and respond to sexual abuse. Such steps shall include, when necessary to ensure effective communication with detainees who are

deaf or hard of hearing, providing access to in-person, telephonic, or video interpretive services that enable effective, accurate, and impartial interpretation, both receptively and expressively, using any necessary specialized vocabulary. In addition, the agency and facility shall ensure that any written materials related to sexual abuse are provided in formats or through methods that ensure effective communication with detainees with disabilities, including detainees who have intellectual disabilities, limited reading skills, or who are blind or have low vision. An agency or facility is not required to take actions that it can demonstrate would result in a fundamental alteration in the nature of a service, program, or activity, or in undue financial and administrative burdens, as those terms are used in regulations promulgated under title II of the Americans with Disabilities Act, 28 CFR 35.164.

- (2) The agency and each facility shall take steps to ensure meaningful access to all aspects of the agency's and facility's efforts to prevent, detect, and respond to sexual abuse to detainees who are limited English proficient, including steps to provide in-person or telephonic interpretive services that enable effective, accurate, and impartial interpretation, both receptively and expressively, using any necessary specialized vocabulary.
- (3) In matters relating to allegations of sexual abuse, the agency and each facility shall provide in-person or telephonic interpretation services that enable effective, accurate, and impartial interpretation, by someone other than another detainee, unless the detainee expresses a preference for another detainee to provide interpretation, and the agency determines that such interpretation is appropriate and consistent with DHS policy. The provision of interpreter services by minors, alleged abusers, detainees who witnessed the alleged abuse, and detainees who have a significant relationship with the alleged abuser is not appropriate in matters relating to allegations of sexual abuse.

115.17 Hiring and promotion decisions.

- (1) An agency or facility shall not hire or promote anyone who may have contact with detainees, and shall not enlist the services of any contractor or volunteer who may have contact with detainees, who has engaged in sexual abuse in a prison, jail, holding facility, community confinement facility, juvenile facility, or other institution (as defined in 42 U.S.C. 1997); who has been convicted of engaging or attempting to engage in sexual activity facilitated by force, overt or implied threats of force, or coercion, or if the victim did not consent or was unable to consent or refuse; or who has been civilly or administratively adjudicated to have engaged in such activity.
- (2) An agency or facility considering hiring or promoting staff shall ask all applicants who may have contact with detainees directly about previous misconduct described in paragraph (1) of this section, in written applications or interviews for hiring or promotions and in any interviews or written self-evaluations conducted as part of reviews of current employees. Agencies and facilities shall also impose upon employees a continuing affirmative duty to disclose any such misconduct. The agency, consistent with law, shall make its best efforts to contact all prior institutional employers of an applicant for employment, to obtain information on substantiated allegations of sexual abuse or any resignation during a pending investigation of alleged sexual abuse.

- (3) Before hiring new staff who may have contact with detainees, the agency or facility shall conduct a background investigation to determine whether the candidate for hire is suitable for employment with the facility or agency, including a criminal background records check. Upon request by the agency, the facility shall submit for the agency's approval written documentation showing the detailed elements of the facility's background check for each staff member and the facility's conclusions. The agency shall conduct an updated background investigation every five years for agency employees who may have contact with detainees. The facility shall require an updated background investigation every five years for those facility staff who may have contact with detainees and who work in immigration-only detention facilities.
- (4) The agency or facility shall also perform a background investigation before enlisting the services of any contractor who may have contact with detainees. Upon request by the agency, the facility shall submit for the agency's approval written documentation showing the detailed elements of the facility's background check for each contractor and the facility's conclusions.
- (5) Material omissions regarding such misconduct, or the provision of materially false information, shall be grounds for termination or withdrawal of an offer of employment, as appropriate.
- (6) In the event the agency contracts with a facility for the confinement of detainees, the requirements of this section otherwise applicable to the agency also apply to the facility and its staff.

115.18 Upgrades to facilities and technologies.

- (1) When designing or acquiring any new facility and in planning any substantial expansion or modification of existing facilities, the facility or agency, as appropriate, shall consider the effect of the design, acquisition, expansion, or modification upon their ability to protect detainees from sexual abuse.
- (2) When installing or updating a video monitoring system, electronic surveillance system, or other monitoring technology in an immigration detention facility, the facility or agency, as appropriate, shall consider how such technology may enhance their ability to protect detainees from sexual abuse.

RESPONSIVE PLANNING

115.21 Evidence protocols and forensic medical examinations.

- (1) To the extent that the agency or facility is responsible for investigating allegations of sexual abuse involving detainees, it shall follow a uniform evidence protocol that maximizes the potential for obtaining usable physical evidence for administrative proceedings and criminal prosecutions. The protocol shall be developed in coordination with DHS and shall be developmentally appropriate for juveniles, where applicable.
- (2) The agency and each facility developing an evidence protocol referred to in paragraph (1) of this section, shall consider how best to utilize available community resources and services to provide valuable expertise and support in the areas of crisis intervention and counseling to most appropriately address victims' needs. Each facility shall establish

procedures to make available, to the full extent possible, outside victim services following incidents of sexual abuse; the facility shall attempt to make available to the victim a victim advocate from a rape crisis center. If a rape crisis center is not available to provide victim advocate services, the agency shall provide these services by making available a qualified staff member from a community-based organization, or a qualified agency staff member. A qualified agency staff member or a qualified community-based staff member means an individual who has received education concerning sexual assault and forensic examination issues in general. The outside or internal victim advocate shall provide emotional support, crisis intervention, information, and referrals.

- (3) Where evidentially or medically appropriate, at no cost to the detainee, and only with the detainee's consent, the facility shall arrange for an alleged victim detainee to undergo a forensic medical examination by qualified health care personnel, including a Sexual Assault Forensic Examiner (SAFE) or Sexual Assault Nurse Examiner (SANE) where practicable. If SAFEs or SANEs cannot be made available, the examination can be performed by other qualified health care personnel.
- (4) As requested by a victim, the presence of his or her outside or internal victim advocate, including any available victim advocacy services offered by a hospital conducting a forensic exam, shall be allowed for support during a forensic exam and investigatory interviews.
- (5) To the extent that the agency is not responsible for investigating allegations of sexual abuse, the agency or the facility shall request that the investigating agency follow the requirements of paragraphs (1) through (4) of this section.

115.22 Policies to ensure investigation of allegations and appropriate agency oversight.

- (1) The agency shall establish an agency protocol, and shall require each facility to establish a facility protocol, to ensure that each allegation of sexual abuse is investigated by the agency or facility, or referred to an appropriate investigative authority.
- (2) The agency shall ensure that the agency and facility protocols required by paragraph (a) of this section, include a description of responsibilities of the agency, the facility, and any other investigating entities; and require the documentation and maintenance, for at least five years, of all reports and referrals of allegations of sexual abuse.
- (3) The agency shall post its protocols on its Web site; each facility shall also post its protocols on its Web site, if it has one, or otherwise make the protocol available to the public.
- (4) Each facility protocol shall ensure that all allegations are promptly reported to the agency as described in paragraphs (5) and (6) of this section, and, unless the allegation does not involve potentially criminal behavior, are promptly referred for investigation to an appropriate law enforcement agency with the legal authority to conduct criminal investigations. A facility may separately, and in addition to the above reports and referrals, conduct its own investigation.
- (5) When a detainee, prisoner, inmate, or resident of the facility in which an alleged detainee victim is housed is alleged to be the perpetrator of detainee sexual abuse, the facility shall ensure that the incident is promptly reported to the Joint Intake Center, the ICE Office of Professional Responsibility or the DHS Office of Inspector General, as well as the

appropriate ICE Field Office Director, and, if it is potentially criminal, referred to an appropriate law enforcement agency having jurisdiction for investigation.

- (6) When a staff member, contractor, or volunteer is alleged to be the perpetrator of detainee sexual abuse, the facility shall ensure that the incident is promptly reported to the Joint Intake Center, the ICE Office of Professional Responsibility or the DHS Office of Inspector General, as well as to the appropriate ICE Field Office Director, and to the local government entity or contractor that owns or operates the facility. If the incident is potentially criminal, the facility shall ensure that it is promptly referred to an appropriate law enforcement agency having jurisdiction for investigation.

- (2) The level and type of training provided to volunteers and other contractors shall be based on the services they provide and level of contact they have with detainees, but all

volunteers and other contractors who have contact with detainees shall be notified of the agency's and the facility's zero-tolerance policies regarding sexual abuse and informed how to report such incidents.

- (3) Each facility shall receive and maintain written confirmation that volunteers and other contractors who have contact with immigration facility detainees have completed the training.
- (4) In this section, the term *other contractor* means a person who provides services on a non-recurring basis to the facility pursuant to a contractual agreement with the agency or facility.

115.33 Detainee education.

- (1) During the intake process, each facility shall ensure that the detainee orientation program notifies and informs detainees about the agency's and the facility's zero-tolerance policies for all forms of sexual abuse and includes (at a minimum) instruction on:
 - (a) Prevention and intervention strategies;
 - (b) Definitions and examples of detainee-on-detainee sexual abuse, staff-on-detainee sexual abuse and coercive sexual activity;

effective cross-agency coordination to agency or facility investigators, respectively, who conduct investigations into allegations of sexual abuse at immigration detention facilities. All investigations into alleged sexual abuse must be conducted by qualified investigators.

- (2) The agency and facility must maintain written documentation verifying specialized training provided to investigators pursuant to this section.

115.35 Specialized training: Medical and mental health care.

- (1) The agency shall review and approve the facility's policy and procedures to ensure that facility medical staff is trained in procedures for examining and treating victims of sexual abuse, in facilities where medical staff may be assigned these activities.

ASSESSMENT FOR RISK OF SEXUAL VICTIMIZATION AND ABUSIVENESS

115.41 Assessment for risk of victimization and abusiveness.

- (1) The facility shall assess all detainees on intake to identify those likely to be sexual aggressors or sexual abuse victims and shall house detainees to prevent sexual abuse, taking necessary steps to mitigate any such danger. Each new arrival shall be kept separate from the general population until he/she is classified and may be housed accordingly.
- (2) The initial classification process and initial housing assignment should be completed within twelve hours of admission to the facility.
- (3) The facility shall also consider, to the extent that the information is available, the following criteria to assess detainees for risk of sexual victimization:
 - (a) Whether the detainee has a mental, physical, or developmental disability;
 - (b) The age of the detainee;
 - (c) The physical build and appearance of the detainee;
 - (d) Whether the detainee has previously been incarcerated or detained;
 - (e) The nature of the detainee's criminal history;
 - (f) Whether the detainee has any convictions for sex offenses against an adult or child;
 - (g) Whether the detainee has self-identified as gay, lesbian, bisexual, transgender, intersex, or gender nonconforming;
 - (h) Whether the detainee has self-identified as having previously experienced sexual victimization; and
 - (i) The detainee's own concerns about his or her physical safety.
- (4) The initial screening shall consider prior acts of sexual abuse, prior convictions for violent offenses, and history of prior institutional violence or sexual abuse, as known to the facility, in assessing detainees for risk of being sexually abusive.
- (5) The facility shall reassess each detainee's risk of victimization or abusiveness between 60 and 90 days from the date of initial assessment, and at any other time when warranted based upon the receipt of additional, relevant information or following an incident of abuse or victimization.

- (6) Detainees shall not be disciplined for refusing to answer, or for not disclosing complete information in response to, questions asked pursuant to paragraphs (3)(a), (3)(g), (3)(h), or (3)(i) of this section.
- (7) The facility shall implement appropriate controls on the dissemination within the facility of responses to questions asked pursuant to this standard in order to ensure that sensitive information is not exploited to the detainee's detriment by staff or other detainees or inmates.

115.42 Use of assessment information.

- (1) The facility shall use the information from the risk assessment under § 115.41 of this part to inform assignment of detainees to housing, recreation and other activities, and voluntary work. The agency shall make individualized determinations about how to ensure the safety of each detainee.
- (2) When making assessment and housing decisions for a transgender or intersex detainee, the facility shall consider the detainee's gender self-identification and an assessment of the effects of placement on the detainee's health and safety. The facility shall consult a medical or mental health professional as soon as practicable on this assessment. The facility should not base placement decisions of transgender or intersex detainees solely on the identity documents or physical anatomy of the detainee; a detainee's self-identification of his/her gender and self-assessment of safety needs shall always be taken into consideration as well. The facility's placement of a transgender or intersex detainee shall be consistent with the safety and security considerations of the facility, and placement and programming assignments for each transgender or intersex detainee shall be reassessed at least twice each year to review any threats to safety experienced by the detainee.
- (3) When operationally feasible, transgender and intersex detainees shall be given the opportunity to shower separately from other detainees.

115.43 Protective custody.

- (1) The facility shall develop and follow written procedures consistent with the standards in this subpart for each facility governing the management of its administrative segregation unit. These procedures, which should be developed in consultation with the ICE Enforcement and Removal Operations Field Office Director having jurisdiction for the facility, must document detailed reasons for placement of an individual in administrative segregation on the basis of a vulnerability to sexual abuse or assault.
- (2) Use of administrative segregation by facilities to protect detainees vulnerable to sexual abuse or assault shall be restricted to those instances where reasonable efforts have been made to provide appropriate housing and shall be made for the least amount of time practicable, and when no other viable housing options exist, as a last resort. The facility should assign detainees vulnerable to sexual abuse or assault to administrative segregation for their protection until an alternative means of separation from likely abusers can be arranged, and such an assignment shall not ordinarily exceed a period of 30 days.

- (3) Facilities that place vulnerable detainees in administrative segregation for protective custody shall provide those detainees access to programs, visitation, counsel and other services available to the general population to the maximum extent practicable.
- (4) Facilities shall implement written procedures for the regular review of all vulnerable detainees placed in administrative segregation for their protection, as follows:
 - (a) A supervisory staff member shall conduct a review within 72 hours of the detainee's placement in administrative segregation to determine whether segregation is still warranted; and
 - (b) A supervisory staff member shall conduct, at a minimum, an identical review after the detainee has spent seven days in administrative segregation, and every week thereafter for the first 30 days, and every 10 days thereafter.
- (5) Facilities shall notify the appropriate ICE Field Office Director no later than 72 hours after the initial placement into segregation, whenever a detainee has been placed in administrative segregation on the basis of a vulnerability to sexual abuse or assault.

REPORTING

115.51 Detainee reporting.

- (1) The agency and each facility shall develop policies and procedures to ensure that detainees have multiple ways to privately report sexual abuse, retaliation for reporting sexual abuse, or staff neglect or violations of responsibilities that may have contributed to such incidents. The agency and each facility shall also provide instructions on how detainees may contact their consular official, the DHS Office of the Inspector General or, as appropriate, another designated office, to confidentially and, if desired, anonymously, report these incidents.
- (2) The agency shall also provide, and the facility shall inform the detainees of, at least one way for detainees to report sexual abuse to a public or private entity or office that is not part of the agency, and that is able to receive and immediately forward detainee reports of sexual abuse to agency officials, allowing the detainee to remain anonymous upon request.

- (4) Facility staff shall bring medical emergencies to the immediate attention of proper medical personnel for further assessment.

- (5) The facility shall issue a decision on the grievance within five days of receipt and shall respond to an appeal of the grievance decision within 30 days. Facilities shall send all grievances related to sexual abuse and the facility's decisions with respect to such grievances to the appropriate ICE Field Office Director at the end of the grievance process.
- (6) To prepare a grievance, a detainee may obtain assistance from another detainee, the housing officer or other facility staff, family members, or legal representatives. Staff shall take reasonable steps to expedite requests for assistance from these other parties.

115.53 Detainee access to outside confidential support services.

- (1) Each facility shall utilize available community resources and services to provide valuable expertise and support in the areas of crisis intervention, counseling, investigation and the prosecution of sexual abuse perpetrators to most appropriately address victims' needs. The facility shall maintain or attempt to enter into memoranda of understanding or other agreements with community service providers or, if local providers are not available, with national organizations that provide legal advocacy and confidential emotional support services for immigrant victims of crime.
- (2) Each facility's written policies shall establish procedures to include outside agencies in the facility's sexual abuse prevention and intervention protocols, if such resources are available.
- (3) Each facility shall make available to detainees information about local organizations that can assist detainees who have been victims of sexual abuse, including mailing addresses and telephone numbers (including toll-free hotline numbers where available). If no such local organizations exist, the facility shall make available the same information about national organizations. The facility shall enable reasonable communication between detainees and these organizations and agencies, in as confidential a manner as possible.
- (4) Each facility shall inform detainees prior to giving them access to outside resources, of the extent to which such communications will be monitored and the extent to which reports of abuse will be forwarded to authorities in accordance with mandatory reporting laws.

115.54 Third-party reporting.

- (1) Each facility shall establish a method to receive third-party reports of sexual abuse in its immigration detention facilities and shall make available to the public information on how to report sexual abuse on behalf of a detainee.

OFFICIAL RESPONSE FOLLOWING A DETAINEE REPORT

115.61 Staff reporting duties.

- (1) The agency and each facility shall require all staff to report immediately and according to agency policy any knowledge, suspicion, or information regarding an incident of sexual abuse that occurred in a facility; retaliation against detainees or staff who reported or participated in an investigation about such an incident; and any staff neglect or violation

of responsibilities that may have contributed to an incident or retaliation. The agency shall review and approve facility policies and procedures and shall ensure that the facility specifies appropriate reporting procedures, including a method by which staff can report outside of the chain of command.

- (2) Staff members who become aware of alleged sexual abuse shall immediately follow the reporting requirements set forth in the agency's and facility's written policies and procedures.
- (3) Apart from such reporting, staff shall not reveal any information related to a sexual abuse report to anyone other than to the extent necessary to help protect the safety of the victim or prevent further victimization of other detainees or staff in the facility, or to make medical treatment, investigation, law enforcement, or other security and management decisions.

115.62 Protection duties.

115.64 Responder duties.

- (1) Upon learning of an allegation that a detainee was sexually abused, the first security staff member to respond to the report, or his or her supervisor, shall be required to:
 - (a) Separate the alleged victim and abuser;
 - (b) Preserve and protect, to the greatest extent possible, any crime scene until appropriate steps can be taken to collect any evidence;
 - (c) If the abuse occurred within a time period that still allows for the collection of physical evidence, request the alleged victim not to take any actions that could destroy physical evidence, including, as appropriate, washing, brushing teeth, changing clothes, urinating, defecating, smoking, drinking, or eating; and
 - (d) If the sexual abuse occurred within a time period that still allows for the collection of physical evidence, ensure that the alleged abuser does not take any actions that could destroy physical evidence, including, as appropriate, washing, brushing

- teeth, changing clothes, urinating, defecating, smoking, drinking, or eating.
- (2) If the first staff responder is not a security staff member, the responder shall be required to request that the alleged victim not take any actions that could destroy physical evidence and then notify security staff.

115.65 Coordinated response.

- (1) Each facility shall develop a written institutional plan to coordinate actions taken by staff first responders, medical and mental health practitioners, investigators, and facility leadership in response to an incident of sexual abuse.
- (2) Each facility shall use a coordinated, multidisciplinary team approach to responding to sexual abuse.
- (3) If a victim of sexual abuse is transferred between DHS immigration detention facilities, the sending facility shall, as permitted by law, inform the receiving facility of the incident and the victim's potential need for medical or social services.
- (4) If a victim is transferred between DHS immigration detention facilities or to a non-DHS facility, the sending facility shall, as permitted by law, inform the receiving facility of the incident and the victim's potential need for medical or social services, unless the victim requests otherwise.

- (2) For at least 90 days following a report of sexual abuse, the agency and facility shall monitor to see if there are facts that may suggest possible retaliation by detainees or staff, and shall act promptly to remedy any such retaliation.

115.68 Post-allegation protective custody.

- (1) The facility shall take care to place detainee victims of sexual abuse in a supportive environment that represents the least restrictive housing option possible (e.g., protective custody), subject to the requirements of § 115.43.

- (1) If the facility has responsibility for investigating allegations of sexual abuse, all investigations into alleged sexual abuse must be prompt, thorough, objective, and conducted by specially trained, qualified investigators.
- (2) Upon conclusion of a criminal investigation where the allegation was substantiated, an administrative investigation shall be conducted. Upon conclusion of a criminal investigation where the allegation was unsubstantiated, the facility shall review any available completed criminal investigation reports to determine whether an administrative investigation is necessary or appropriate. Administrative investigations shall be conducted after consultation with the appropriate investigative office within DHS, and the assigned criminal investigative entity.
- (3) (a) The facility shall develop written procedures for administrative investigations, including provisions requiring:
 - i. Preservation of direct and circumstantial evidence, including any available physical and DNA evidence and any available electronic monitoring data;

Removal from their position and from the Federal service is the presumptive disciplinary sanction for staff who have engaged in or attempted or threatened to engage in sexual abuse, as defined under the definition of sexual abuse of a detainee by a staff member, contractor, or volunteer, paragraphs (a) - (d) and (g) - (h) of the definition of "sexual abuse of a detainee by a staff member, contractor, or volunteer" in § 115.6.

- (5) The facility shall not discipline a detainee for sexual contact with staff unless there is a finding that the staff member did not consent to such contact.
- (6) For the purpose of disciplinary action, a report of sexual abuse made in good faith based upon a reasonable belief that the alleged conduct occurred shall not constitute falsely reporting an incident or lying, even if an investigation does not establish evidence sufficient to substantiate the allegation.

MEDICAL AND MENTAL CARE

115.81 Medical and mental health assessments; history of sexual abuse.

- (1) If the assessment pursuant to § 115.41 indicates that a detainee has experienced prior sexual victimization or perpetrated sexual abuse, staff shall, as appropriate, ensure that the detainee is immediately referred to a qualified medical or mental health practitioner for medical and/or mental health follow-up as appropriate.

DATA COLLECTION AND REVIEW

115.86 Sexual abuse incident reviews.

- (1) Each facility shall conduct a sexual abuse incident review at the conclusion of every investigation of sexual abuse and, where the allegation was not determined to be unfounded, prepare a written report within 30 days of the conclusion of the investigation recommending whether the allegation or investigation indicates that a change in policy or practice could better prevent, detect, or respond to sexual abuse. The facility shall implement the recommendations for improvement, or shall document its reasons for not doing so in a written response. Both the report and response shall be forwarded to the Field Office Director, for transmission to the ICE PSA Coordinator.

All persons in the custody of ICE are "Administrative Detainees." This term recognizes that ICE detainees are not charged with criminal violations and are only held in custody to assure their presence throughout the administrative hearing process and to assure their presence for removal from the

United States pursuant to a lawful final order by the Immigration Court, the Board of Immigration Appeals or other Federal judicial body.

- B. Responsibilities: This Agreement sets forth the responsibilities of ICE and the Service Provider. The Service Provider shall provide all personnel, management, equipment, supplies, and services necessary for performance of all aspects of the Agreement and ensure that the safekeeping, housing, subsistence, medical, and other program services provided to ICE detainees housed in the facility is consistent with ICE's civil detention authority, the PWS, IGSA requirements and ICE standards referenced in this agreement. Article 2. General

- A. Commencement of Services: ICE is under no obligation to utilize the facilities identified herein until the need for detention services has been identified, funding has been identified and made available, and the Facility meets ICE requirements, and is in compliance with ICE 2011 Performance-Based National Detention Standards (PBNDS). Therefore, ICE may perform numerous assessments to ensure compliance prior to presenting detainees for housing.
- B. Funding: The obligation of ICE to make payments to the Service Provider is contingent upon the availability of Federal funds. ICE will neither present detainees to the Service Provider nor direct performance of any other services until ICE has the appropriate funding. Orders will be placed under this Agreement when specific requirements have been identified and funding obligated. Performance under this Agreement is not authorized until the Contracting Officer issues an order in writing. The effective date of the services will be negotiated and specified in this Agreement. The Service Provider shall be prepared to accept detainees immediately upon issuance of task order in accordance with the agreed upon ramp-up plan.

C. Subcontractors: The Service Provider shall notify and obtain approval from the ICE Contracting Officer if it intends to house ICE detainees in a facility other than South Louisiana Correctional Center. The Service Provider shall obtain the Contracting Officer's approval before subcontracting the detention and care of detainees to another entity. The Contracting Officer has the right to deny, withhold, or withdraw approval of the proposed subcontractor. Upon approval by the Contracting Officer, the Service Provider shall ensure that any subcontract includes all provisions of this Agreement, and shall provide ICE with copies of all subcontracts. Written requests to change the number, type and/or distribution of staff described in the staffing plan must be submitted to the CO, through the COR, for approval prior to implementation. Staffing levels shall not fall below a monthly average of 95% of the approved staffing plan, notwithstanding the requirement of maintaining monthly minimum staffing levels of 95%.

Each month, the contractor shall submit to the COR the current average monthly vacancy rate, and indicate any individual positions that have been vacant more than 120 days. Failure to fill any individual position within 120 days of the vacancy may result in a deduction from the monthly invoice. ICE may calculate the deduction retroactive to day one of the vacancy, excluding the days for ICE's conditional approval process, starting on the day of receipt and concluding on the day conditional approval is granted.

E. Consistent with Law: This is a firm fixed rate Agreement, not a cost reimbursable Agreement. This Agreement is permitted under applicable statutes, regulations, policies and judicial mandates. Any provision of this Agreement contrary to applicable statutes, regulation, policies or judicial mandates is null and void and shall not necessarily affect the balance of the Agreement.

E-Verify represents the best means currently available for employers to verify the work authorization of their employees.

Each employee working on this contract shall have a Social Security Card issued and approved by the Social Security Administration. The Contractor shall be responsible to the Government for acts and omissions of his own employees and for any subcontractor(s) and their employees.

acceptable level of services and acceptable conditions of confinement as determined by ICE. No notice to the Service Provider is required prior to an inspection. ICE will share findings of the inspection with the Service Provider's Facility Administrator. The Inspection Report will state any improvements to facility operation, conditions of confinement, and level of service that will be required by the Service Provider.

- B. ICE will not house detainees in any facility that has received two consecutive overall ratings of less than acceptable. Upon notice that the second overall rating is less than acceptable, ICE will remove all detainees from the Facility within seven (7) calendar days. Any minimum guarantee stated elsewhere in this Agreement is no longer applicable if detainees are removed as a result of two overall ratings less than acceptable. No further funds will be obligated and no further payments will be made.
- C. Possible Termination: If the Service Provider, after being afforded reasonable time to comply, fails to remedy deficient service identified through an ICE inspection, ICE may terminate this Agreement without regard to any other provisions in this Agreement.
- D. Share Findings: The Service Provider shall provide ICE copies of facility inspections, reviews, examinations, and surveys performed by accreditation sources. The Service Provider shall cooperate fully with the Detention Service Manager (DSM).
- E. Access to Detainee and Facility Records: The Service Provider shall, upon request, grant ICE access to any record in its possession, regardless of whether the Service Provider created the record, concerning any detainee held pursuant to this Agreement. This right of access includes, but is not limited to, incident reports, records relating to suicide attempts, and behavioral assessments and other records relating to the detainee's behavior while in the Service Provider's custody; provided, however that access to medical and mental health record information be provided in accordance with Article VI. Furthermore, the Service Provider shall retain all records where this right of access applies for a period of two (2) years from the date of the detainee's discharge from the Service Provider's custody. This right of access specifically applies to all inspections and other Facility reports.

Article 10. Modifications and Disputes

- A. Modifications: Actions other than those designated in this Agreement will not bind or incur liability on behalf of either Party. Either Party may request a modification to this Agreement by submitting a written request to the other Party. A modification will become a part of this Agreement only after the ICE Contracting Officer has approved the modification in writing.
- B. Change Orders:
 - 1. The Contracting Officer may at any time, by written order, and without notice to the Service Provider, make changes within the general scope of this Agreement in any one or more of the following:

- (a) Description of services to be performed, including revisions to the applicable Detention Standards.
 - (b) Place of performance of the services.
 - 2. If any such change causes an increase or decrease in the cost of the services under the Agreement, the Contracting Officer will make an equitable adjustment in the agreement price and will modify the Agreement accordingly.
 - 3. The Service provider must assert its right to an adjustment under this Article within 30 days from the date of receipt of the written order including a proposal addressing the cost impacts and detailed supporting data.
 - 4. If the Service Provider's proposal includes costs that are determined unreasonable and/or unsupportable, as determined by the Contracting Officer, the Contracting Officer will disallow those costs when determining a revised rate, if any.
 - 5. Failure to agree to any adjustment will be a dispute under the Disputes section of the Agreement. However, nothing in this Article excuses the Service Provider from proceeding with the Agreement as changed.
- C. Disputes: The ICE Contracting Officer and the authorized signatory of the Service Provider will settle disputes, questions and concerns arising from this Agreement. Settlement of disputes will be memorialized in a written modification between the ICE Contracting Officer and authorized signatory of the Service Provider. In the event a dispute is not able to be resolved between the Service Provider and the ICE Contracting Officer, the ICE Contracting Officer will make the final decision. If the Service Provider does not agree with the final decision, the matter may be appealed to the ICE Head of the Contracting Activity (HCA) for resolution. The ICE HCA may employ all methods available to resolve the dispute including alternative dispute resolution techniques. The Service Provider shall proceed diligently with performance of this Agreement pending final resolution of any dispute.

Article 11. Adjusting the Bed Day Rate

ICE will reimburse the Service Provider at the fixed detainee bed day rate shown in Article I paragraph C. The Service Provider may request a rate adjustment no less than thirty-six (36) months after the effective date of the Agreement unless required by law (see Article 19). After thirty-six (36) months, the Service Provider may request a rate by submitting a new Jail Services Cost Statement with a summary of the rate adjustment, break-out of the requested increase amount, and back-up documentation necessary to support the request. The Parties agree to base the cost portion of the rate adjustment on the principles of allowability and allocability as set forth in OMB Circular A-87, Cost Principles for State, Local, and Indian Tribal Governments, federal procurement laws, regulations, and standards in arriving at the bed day rate. If ICE does not receive an official request for a bed day rate adjustment that is supported by the information provided, the fixed bed day rate as stated in this Agreement will be in place indefinitely.

ICE reserves the right to audit the actual and/or prospective costs upon which the rate adjustment is based. All rate adjustments are prospective. As the bed day rate is fixed, there are no retroactive adjustment(s).

The Prompt Payment Act requires ICE to make payments under this Agreement the thirtieth (30th) calendar day after the Burlington Finance Office receives a complete invoice. Either the date on the Government's check, or the date it executes an electronic transfer of funds, constitutes the payment date. The Prompt Payment Act requires ICE to pay interest on overdue payments to the Service Provider. (b) The Service Provider shall require the subcontractor to certify in substantially the form at the end of this Article that, to the best of its knowledge and belief, the data submitted under paragraph (a) of this clause were accurate, complete, and current as of the date of agreement on the negotiated price of the subcontract or subcontract modification.

(c) The Service Provider shall require the subcontractor to certify in substantially the form at the end of this Article that, to the best of its knowledge and belief, the data submitted under paragraph (b) of this clause were accurate, complete, and current as of the date of agreement on the negotiated price of the subcontract or subcontract modification.

E) Price Reduction for Defective Certified Cost or Pricing Data

(a) If any price, including profit or fee, negotiated in connection with this IGSA, or any cost reimbursable under this IGSA, was increased by any significant amount because –

(1) The Service Provider or a subcontractor furnished certified cost or pricing data that were not complete, accurate, and current as certified in its Certificate of Current Cost or Pricing Data;

(2) A subcontractor or prospective subcontractor furnished the Service Provider certified cost or pricing data that were not complete, accurate, and current as certified in the Service Provider's Certificate of Current Cost or Pricing Data; or

(3) Any of these parties furnished data of any description that were not accurate, the price or cost shall be reduced accordingly and the IGSA shall be modified to reflect the reduction.

(b) Any reduction in the IGSA price under paragraph (a) of this clause due to defective data from a prospective subcontractor that was not subsequently awarded the subcontract shall be limited to the amount, plus applicable overhead and profit markup, by which (1) the actual subcontract or (2) the actual cost to the Service Provider, if there was no subcontract, was less than the prospective subcontract cost estimate submitted by the Service Provider; provided, that the actual subcontract price was not itself affected by defective certified cost or pricing data.

(c)

(1) If the Contracting Officer determines under paragraph (a) of this clause that a price or cost reduction should be made, the Service Provider agrees not to raise the following matters as a defense:

(i) The Service Provider or subcontractor was a sole source supplier or otherwise was in a superior bargaining position and thus the price of the IGSA would not have been modified even if accurate, complete, and current certified cost or pricing data had been submitted.

(ii) The Contracting Officer should have known that the certified cost or pricing data in issue were defective even though the Service Provider or subcontractor took no affirmative action to bring the character of the data to the attention of the Contracting Officer.

(iii) The IGSA was based on an agreement about the total cost of the IGSA and there was no agreement about the cost of each item procured under the IGSA.

(iv) The Service Provider or subcontractor did not submit a Certificate of Current Cost or Pricing Data.

(2)

(i) Except as prohibited by subdivision (C)(2)(ii) of this clause, an offset in an amount determined appropriate by the Contracting Officer based upon the facts shall be allowed against the amount of a IGSA price reduction if –

(A) The Service Provider certifies to the Contracting Officer that, to the best of the Service Provider's knowledge and belief, the Service Provider is entitled to the offset in the amount requested; and

(B) The Service Provider proves that the certified cost or pricing data were available before the "as of" date specified on its Certificate of Current Cost or Pricing Data, and that the data were not submitted before such date.

(ii) An offset shall not be allowed if –

(A) The understated data were known by the Service Provider to be understated before the "as of" date specified on its Certificate of Current Cost or Pricing Data; or

(B) The Government proves that the facts demonstrate that the IGSA price would not have increased in the amount to be offset even if the available data had been submitted before the "as of" date specified on its Certificate of Current Cost or Pricing Data.

(d) If any reduction in the IGSA price under this clause reduces the price of items for which payment was made prior to the date of the modification reflecting the price reduction, the Service

Provider shall be liable to and shall pay the United States at the time such overpayment is repaid

(1) Simple interest on the amount of such overpayment to be computed from the date(s) of overpayment to the Service Provider to the date the Government is repaid by the Service Provider at the applicable underpayment rate effective for each quarter prescribed by the Secretary of the Treasury under 26 U.S.C. 6621(a)(2); and

(2) A penalty equal to the amount of the overpayment, if the Service Provider or subcontractor knowingly submitted certified cost or pricing data that were incomplete, inaccurate, or noncurrent.

F) Price Reduction for Defective Certified Cost or Pricing Data - Modifications

(a) This Article shall become operative only for any modification to this IGSA involving a pricing adjustment expected to exceed \$700,000, except that this Article does not apply to any modification (1) where prices of the modification are based upon adequate price competition, or (2) when a waiver has been granted.

(b) If any price, including profit or fee, negotiated in connection with any modification under this clause, or any cost reimbursable under this IGSA, was increased by any significant amount because

(1) the Service Provider or a subcontractor furnished certified cost or pricing data that were not complete, accurate, and current as certified in its Certificate of Current Cost or Pricing Data,

(2) a subcontractor or prospective subcontractor furnished the Service Provider certified cost or pricing data that were not complete, accurate, and current as certified in the Service Provider's Certificate of Current Cost or Pricing Data, or

(3) any of these parties furnished data of any description that were not accurate, the price or cost shall be reduced accordingly and the IGSA shall be modified to reflect the reduction. This right to a price reduction is limited to that resulting from defects in data relating to modifications for which this clause becomes operative under paragraph (a) of this clause.

(c) Any reduction in the IGSA price under paragraph (b) of this clause due to defective data from a prospective subcontractor that was not subsequently awarded the subcontract shall be limited to the amount, plus applicable overhead and profit markup, by which (1) the actual subcontract or (2) the actual cost to the Service Provider, if there was no subcontract, was less than the prospective subcontract cost estimate submitted by the Service Provider; provided, that the actual subcontract price was not itself affected by defective certified cost or pricing data.

(d)

(1) If the Contracting Officer determines under paragraph (b) of this clause that a price or cost reduction should be made, the Service Provider agrees not to raise the following matters as a defense:

(i) The Service Provider or subcontractor was a sole source supplier or otherwise was in a superior bargaining position and thus the price of the IGSA would not have been modified even if accurate, complete, and current certified cost or pricing data had been submitted.

(ii) The Contracting Officer should have known that the certified cost or pricing data in issue were defective even though the Service Provider or subcontractor took no affirmative action to bring the character of the data to the attention of the Contracting Officer.

(iii) The IGSA was based on an agreement about the total cost of the IGSA and there was no agreement about the cost of each item procured under the IGSA.

(iv) The Service Provider or subcontractor did not submit a Certificate of Current Cost or Pricing Data.

(2)

(i) Except as prohibited by subdivision (d)(2)(ii) of this clause, an offset in an amount determined appropriate by the Contracting Officer based upon the facts shall be allowed against the amount of a IGSA price reduction if -

(A) The Service Provider certifies to the Contracting Officer that, to the best of the Service Provider's knowledge and belief, the Service Provider is entitled to the offset in the amount requested; and

(B) The Service Provider proves that the certified cost or pricing data were available before the "as of" date specified on its Certificate of Current Cost or Pricing Data, and that the data were not submitted before such date.

(ii) An offset shall not be allowed if -

(A) The understated data were known by the Service Provider to be understated before the "as of" date specified on its Certificate of Current Cost or Pricing Data; or

(B) The Government proves that the facts demonstrate that the IGSA price would not have increased in the amount to be offset even if the available data had been submitted before the "as of" date specified on its Certificate of Current Cost or Pricing Data.

(e) If any reduction in the IGSA price under this clause reduces the price of items for which payment was made prior to the date of the modification reflecting the price reduction, the Service Provider shall be liable to and shall pay the United States at the time such overpayment is repaid

(1) Simple interest on the amount of such overpayment to be computed from the date(s) of overpayment to the Service Provider to the date the Government is repaid by the Service Provider at the applicable underpayment rate effective for each quarter prescribed by the Secretary of the Treasury under 26 U.S.C. 6621(a)(2); and

(2) A penalty equal to the amount of the overpayment, if the Service Provider or subcontractor knowingly submitted certified cost or pricing data that were incomplete, inaccurate, or noncurrent.

Article I. Purpose

- A. Purpose: The purpose of this Intergovernmental Service Agreement (IGSA) is to establish an Agreement between ICE and the Service Provider for the detention, and care of persons detained under the authority of the Immigration and Nationality Act, as amended. All persons in the custody of ICE are "Administrative Detainees." This term recognizes that ICE detainees are not charged with criminal violations and are only held in custody to assure their presence throughout the administrative hearing process and to assure their presence for removal from the United States pursuant to a lawful final order by the Immigration Court, the Board of Immigration Appeals or other Federal judicial body.
- B. Responsibilities: This Agreement sets forth the responsibilities of ICE and the Service Provider. The Agreement states the services the Service Provider shall perform satisfactorily to receive payment from ICE at the rate prescribed in Article I, C.
- C. Guidance: This is a fixed rate agreement, not a cost reimbursable agreement, with respect to the detainee day rate. The detainee day rate is \$63.01. ICE shall be responsible for reviewing and approving the costs associated with this Agreement and subsequent modifications utilizing all applicable federal procurement laws, regulations and standards in arriving at the detainee day rate.

Article II. General

- A. Funding: The obligation of ICE to make payments to the Service Provider is contingent upon the availability of Federal funds. ICE will neither present detainees to the Service Provider nor direct performance of any other services until ICE has the appropriate funding. Orders will be placed under this Agreement when specific requirements have been identified and funding obtained. Performance under this Agreement is not authorized until the Contracting Officer issues an order, in writing. The effective date of the Agreement will be negotiated and specified in a delivery order to this Agreement that is supported by the ICE Contracting Officer. This Agreement is neither binding nor effective unless signed by the ICE Contracting Officer. Payments at the approved rate will be paid upon the return of the signed Agreement by the authorized Local Government official to ICE.
- B. Subcontractors: The Service Provider shall notify and obtain approval from the ICE Contracting Officer's Technical Representative (COTR) or designated ICE official if it intends to house ICE detainees in a facility other than the Hall County Correctional Center. If either that facility, or any future facility is operated by an entity other than the Service Provider, ICE shall treat the entity as a subcontractor to the Service Provider. The Service Provider shall obtain the Contracting Officer's approval before subcontracting the detention and care of detainees to another entity. The Contracting Officer has the right to deny, withhold, or withdraw approval of the proposed subcontractor. Upon approval by the Contracting Officer, the Service Provider shall ensure that any subcontract includes all provisions of this Agreement, and shall provide ICE with copies of all subcontracts. All payments will be made to the Service Provider. ICE will not accept invoices from, or make payments to a subcontractor.

- C. Consistent with Law: This is a firm fixed rate agreement, not cost reimbursable agreement. This Agreement is permitted under applicable statutes, regulation, policies or judicial mandates. Any provision of this Agreement contrary to applicable statutes, regulation, policies or judicial mandates is null and void and shall not necessarily affect the balance of the Agreement.

Article III. Covered Services

- A. Bedspace: The Service Provider shall provide male/female beds on a space available basis. The Service Provider shall house all detainees as determined within the Service Provider's classification system. In the case of a detainee(s), already in custody the Service Provider shall notify ICE and request removal of the detainee(s) provided the facility is at capacity. The Service Provider shall allow ICE not less than 72 hours to make arrangements for removal of detainee(s). ICE will be financially liable only for the actual detainee days as defined in Paragraph C of Article III.
- B. Basic Needs: The Service Provider shall provide ICE detainees with safekeeping, housing, subsistence, medical and other services in accordance with this Agreement. In providing these services, the Service Provider shall ensure compliance with all applicable laws, regulations, fire and safety codes, policies and procedures. If the Service Provider determines that ICE has delivered a person for custody who is under the age of eighteen (18), the Service Provider shall not house that person with adult detainees and shall immediately notify the ICE COTR or designated ICE official. The types and levels of services shall be consistent with those the Service Provider routinely affords other inmates.
- C. Unit of Service and Financial Liability: The unit of service is called a "detainee day" and is defined as one person per day. The detainee day begins on the date of arrival. The Service Provider may bill ICE for the date of arrival but not the date of departure. The Service Provider shall not charge for costs that are not directly related to the housing and detention of detainees. Such costs include but are not limited to:
- 1) Salaries of elected officials

Except in emergency situations, the Service Provider shall not use detainees for translation services. If the Service Provider uses a detainee for translation service, it shall notify ICE within twenty-four (24) hours of the translation service.
- E. Escort and Transportation Services: The Service Provider will provide, upon request and as scheduled by ICE, necessary escort and transportation services for ICE detainees to and from designated locations within the state of Nebraska. Escort services will be required for escorting detainees to court hearings; escorting witnesses to the courtroom and staged with the ICE Judge during administrative proceedings. Transportation Services shall be performed by at least two (2) qualified sworn law enforcement or correctional officer personnel employed by the Service Provider under their policies, procedures and authorities. See Article XVII.

Article IV. Receiving and Discharging Detainees

- A. Required Activity: The Service Provider shall receive and discharge detainees only to and from properly identified ICE personnel or other properly identified Federal law enforcement officials with prior authorization from DHS/ICE. Presentation of U.S. Government identification shall constitute "proper identification." The Service Provider shall furnish receiving and discharging services twenty-four (24) hours per day, seven (7) days per week. ICE shall furnish the Service Provider with reasonable notice of receiving and discharging detainees. The Service Provider shall ensure positive identification and recording of detainees and ICE officers. The Service Provider shall contact the ICE COTR or designated ICE official immediately regarding any such requests.

- D. Service Provider Right of Refusal: The Service Provider retains the right to refuse acceptance, or request removal, of any detainee exhibiting violent or disruptive behavior, or of any detainee found to have a medical condition that requires medical care beyond the scope of the Service Provider's health care provider. In the case of a detainee already in custody, the Service Provider shall notify ICE and request such removal of the detainee from the Facility. The Service Provider shall allow ICE reasonable time to make alternative arrangements for the detainee.
- E. Emergency Evacuation: In the event of an emergency requiring evacuation of the Facility, the Service Provider shall evacuate ICE detainees in the same manner, and with the same safeguards, as it employs for persons detained under the Service Provider's authority. The Service Provider shall notify the ICE COTR or designated ICE official within two (2) hours of evacuation.

- F. Acceptance of Detainees with Extreme Health Conditions: If the Service Provider determines that an ICE detainee has a medical condition which renders that person unacceptable for detention under this Agreement, (for example, contagious disease, condition needing life support, uncontrollable violence), the Service Provider shall notify the ICE COTR or the designated ICE official. Upon such notification the Service Provider shall allow ICE reasonable time to make the proper arrangements for further disposition of that detainee.
- G. DIHS Pre-Approval for Non-Emergency Off-Site Care: The Service Provider shall obtain DIHS approval for any non-emergency, off-site healthcare for any detainee. DIHS acts as the agent and final health authority for ICE on all off-site detainee medical and health related matters. The relationship of the DIHS to the detainee equals that of physician to patient. The Service Provider shall release any and all medical information for ICE detainees to the DIHS representatives upon request. The Service Provider shall solicit DIHS approval before proceeding with non-emergency, off-site medical care (e.g. off site lab testing, eyeglasses, cosmetic dental prosthetics, dental care for cosmetic purposes). The Service Provider shall submit supporting documentation for non-routine, off-site medical health services to DIHS. For medical care provided outside the facility, DIHS may determine that an alternative medical provider or institution is more cost-effective or more aptly meets the needs of ICE and the detainee. ICE may refuse to reimburse the Service Provider for non-emergency medical costs incurred that were not pre-approved by the DIHS. The Service Provider shall send all requests for pre-approval for non-emergent off-site care to:

Phone: (888) 718-8947

FAX: (866) 475-9349

Via website: www.inshealth.org

The Service Provider is to notify all medical providers approved to furnish off-site health care of detainees to submit their bills in accordance with instructions provided to:

- H. Emergency Medical Care: The Service Provider shall furnish twenty-four (24) hour emergency medical care and emergency evacuation procedures. In an emergency, the Service Provider shall obtain the medical treatment required to preserve the detainee's health. The Service Provider shall have access to an off-site emergency medical provider at all times. The Health Authority of the Service Provider shall notify the DIHS Managed Care Coordinator by calling the telephone number listed in paragraph G above as soon as possible, and in no case more than seventy-two (72) hours after detainee receipt of such care. The Health Authority will obtain pre-authorization from the DIHS Managed Care Coordinator for service(s) beyond the initial emergency situation.
- I. Off-Site Guards: The Service Provider shall provide guards at all times detainees are admitted to an outside medical facility.
- J. DIHS Visits: The Service Provider shall allow DIHS Managed Care Coordinators reasonable access to its facility for the purpose of liaison activities with the Health Authority and associated Service Provider departments.

6. Intentional falsification and/or omission of pertinent personal information to influence a favorable employment decision.

Subject to existing law, regulations and/or other provisions of this Agreement, illegal or undocumented aliens shall not be employed by the Service Provider.

The Service Provider shall certify that each employee working on this Agreement will have a Social Security Card issued and approved by the Social Security Administration. The Service Provider shall be responsible to the Government for acts and omissions of his own employees and for any Subcontractor(s) and their employees.

The Service Provider shall expressly incorporate this provision into any and all Subcontracts or subordinate agreements issued in support of this Agreement.

The Service Provider shall recertify their employees every three years by conducting a criminal history records check to maintain the integrity of the workforce.

The Service Provider shall implement a Self-Reporting requirement for its employees to immediately report one's own criminal arrest/s to superiors.

The individual will interface with the COTR on all security matters, to include physical, personnel, and protection of all Government information and data accessed by the Service Provider.

The COTR and Contracting Officer shall have the right to inspect the procedures, methods, all documentation and facilities utilized by the Service Provider in complying with the security requirements under this Agreement. Should ICE determine that the Service Provider is not complying with the security requirements of this Agreement, the Service Provider shall be informed in writing by the Contracting Officer of the proper action to be taken in order to effect compliance with these employment screening requirements.

Article IX. Period of Performance

- A. This Agreement shall become effective upon the date of final signature by the ICE Contracting Officer and the authorized signatory of the Service Provider and will remain in effect for a term not to exceed one hundred (100) days, which shall be extended automatically for an additional term of one hundred (100) days at the end of the initial term and each successive term unless terminated in writing by either party. Either party may provide written notice of its intention to terminate this agreement at least 60 days prior to the end of the current term of the Agreement, unless the parties agree to a shorter period of notice under the procedures prescribed in Article XI.

- B. Basis for Price Adjustment: A firm fixed price with economic adjustment provides for upward and downward revision of the stated Per Diem based upon cost indexes of labor and operating expenses, or based upon the Service Provider's actual cost experience in providing the service.

Article X. Inspection

- A. Jail Agreement Inspection Report: The Jail Agreement Inspection Report stipulates minimum requirements for fire/safety code compliance, supervision, segregation, sleeping utensils, meals, medical care, confidential communication, telephone access, legal counsel, legal library, visitation, and recreation. The Service Provider shall allow ICE to conduct inspections of the facility, as required, to ensure an acceptable level of services and acceptable conditions of confinement as determined by ICE. No notice to the Service Provider is required prior to an inspection. ICE will conduct such inspections in accordance with the Jail Agreement Inspection Report. ICE will share findings of the inspection with the Service Provider's facility administrator. The Inspection Report will state any improvements to facility operation, conditions of confinement, and level of service that will be required by the Service Provider.
- B. Possible Termination: If the Service Provider fails to remedy deficient service identified through an ICE inspection, ICE may terminate this Agreement without regard to the provisions of Articles IX and XI.
- C. Share Findings: The Service Provider shall provide ICE copies of facility inspections, reviews, examinations, and surveys performed by accreditation sources.

Article XI. Modifications and Disputes

- A. Modifications: Actions other than those designated in this Agreement will not bind or incur liability on behalf of either Party. Either Party may request a modification to this Agreement by submitting a written request to the other Party. A modification will become a part of this Agreement only after the ICE Contracting Officer and the authorized signatory of the Service Provider have approved the modification in writing.
- B. Disputes: The ICE Contracting Officer and the authorized signatory of the Service Provider will settle disputes, questions and concerns arising from this Agreement. Settlement of disputes shall be memorialized in a written modification between the ICE Contracting Officer and authorized signatory of the Service Provider. In the event a dispute is not able to be resolved between the Service Provider and the ICE Contracting

Officer, the ICE Contracting Officer will make the final decision. If the Service Provider does not agree with the final decision, the matter may be appealed to the ICE Head of the Contracting Activity (HCA) for resolution. The ICE HCA may employ all methods available to resolve the dispute including alternative dispute resolution techniques. The Service Provider shall proceed diligently with performance of this Agreement pending final resolution of any dispute.

Article XII. Adjusting the Detainee Day Rate

ICE shall reimburse the Service Provider at the fixed detainee day rate shown on the cover page of the document, Article I. (C). The Parties may adjust the rate twelve (12) months after the effective date of the agreement and every twelve (12) months thereafter. The Parties shall base the cost portion of the rate adjustment on the principles of allowability and allocability as set forth in OMB Circular A-87, federal procurement laws, regulations, and standards in arriving at the detainee day rate. The request for adjustment shall be submitted on an ICE Jail Services Cost Statement. If ICE does not receive an official request for a detainee day rate adjustment that is supported by an ICE Jail Services Cost Statement, the fixed detainee day rate as stated in this Agreement will be in place indefinitely. See Article XI A.

ICE reserves the right to audit the actual and/or prospective costs upon which the rate adjustment is based. All rate adjustments are prospective. As this is a fixed rate agreement, there are no retroactive adjustment(s).

Either the date on the Government's check, or the date it executes an electronic transfer of funds, shall constitute the payment date. The Prompt Payment Act requires ICE to pay interest on overdue payments to the Service Provider. ICE will determine any interest due in accordance with the Prompt Payment Act.

Article XIV. Government Furnished Property

- A. Federal Property Furnished to the Service Provider: ICE may furnish Federal Government property and equipment to the Service Provider. The rights of access must not be limited to the required retention period, but shall last as long as the records are retained.
- C. Delinquent Debt Collection: ICE will hold the Service Provider accountable for any overpayment, or any breach of this Agreement that results in a debt owed to the Federal Government. TITLE 29--LABOR

PART 4 LABOR STANDARDS FOR FEDERAL SERVICE CONTRACTS--Table of Contents

Subpart A Service Contract Labor Standards Provisions and Procedures

Sec. 4.6 Labor standards clauses for Federal service contracts exceeding \$2,500.

The clauses set forth in the following paragraphs shall be included in full by the contracting agency in every contract/Inter-Governmental Service Agreement (IGSA) entered into by the United States or the District of Columbia, in excess of \$2,500, or in an indefinite amount, the principal purpose of which is to furnish services through the use of service employees:

(a) Service Contract Act of 1965, as amended: This contract/IGSA is subject to the Service Contract Act of 1965 as amended (41 U.S.C. 351 et seq.) and is subject to the following provisions and to all other applicable provisions of the Act and regulations of the Secretary of Labor issued there under (29 CFR part 4).

(b) (1) Each service employee employed in the performance of this Contract/IGSA by the contractor or any subcontractor shall be paid not less than the minimum monetary wages and shall be furnished fringe benefits in accordance with the wages and fringe benefits determined by the Secretary of Labor or authorized representative, as specified in any wage determination attached to this contract.

(2) (i) If there is such a wage determination attached to this Contract/IGSA, the contracting officer shall require that any class of service employee which is not listed therein and which is to be employed under the Contract/IGSA (i.e., the work to be performed is not performed by any classification listed in the wage determination), be classified by the contractor so as to provide a reasonable relationship (i.e., appropriate level of skill comparison) between such unlisted classifications and the classifications listed in the wage determination. Such conformed class of employees shall be paid the monetary wages and furnished the fringe benefits as are determined pursuant to the procedures in this section.

(ii) Such conforming procedure shall be initiated by the contractor prior to the performance of contract/IGSA work by such unlisted class of employee. A written report of the proposed conforming action, including information regarding the agreement or disagreement of the authorized representative of the employees involved or, where there is no authorized representative, the employees themselves, shall be submitted by the contractor to the contracting officer no later than 30 days after such unlisted class of employees performs any Contract/IGSA work. The contracting officer shall review the proposed action and promptly submit a report of the action, together with the agency's recommendation and all pertinent information including the position of the contractor and the employees, to the Wage and Hour Division, Employment Standards Administration, U.S. Department of Labor, for review. The Wage and Hour Division will approve, modify, or disapprove the action or render a final determination in the event of disagreement.

within 30 days of receipt or will notify the contracting officer within 30 days of receipt that additional time is necessary.

(iii) The final determination of the conformance action by the Wage and Hour Division shall be transmitted to the contracting officer who shall promptly notify the contractor of the action taken. Each affected employee shall be furnished by the contractor with a written copy of such determination or it shall be posted as a part of the wage determination.

(iv) (A) The process of establishing wage and fringe benefit rates that bears a reasonable relationship to those listed in a wage determination cannot be [[Page 41]] reduced to any single formula. The approach used may vary from wage determination to wage determination depending on the circumstances. Standard wage and salary administration practices, which rank various job classifications by pay grade pursuant to point schemes or other job factors may, for example, be relied upon. Guidance may also be obtained from the way different jobs are rated under Federal pay systems (Federal Wage Board Pay System and the General Schedule) or from other wage determinations issued in the same locality. Basic to the establishment of any conformable wage rate(s) is the concept that a pay relationship should be maintained between job classifications based on the skill required and the duties performed.

(B) In the case of a Contract/IGSA modification, an exercise of an option or extension of an existing contract, or in any other case where a contractor succeeds a Contract/IGSA under which the classification in question was previously conformed pursuant to this section, a new conformed wage rate and fringe benefits may be assigned to such conformed classification by indexing (i.e., adjusting) the previous conformed rate and fringe benefits by an amount equal to the average (mean) percentage increase (or decrease, where appropriate) between the wages and fringe benefits specified for all classifications to be used on the Contract/IGSA which are listed in the current wage determination, and those specified for the corresponding classifications in the previously applicable wage determination. Where conforming actions are accomplished in accordance with this paragraph prior to the performance of Contract/IGSA work by the unlisted class of employees, the contractor shall advise the contracting officer of the action taken but the other procedures in paragraph (b) (2) (ii) of this section need not be followed.

(C) No employee engaged in performing work on this Contract/IGSA shall in any event be paid less than the currently applicable minimum wage specified under section 6(a) (1) of the Fair Labor Standards Act of 1938, as amended. (v) The wage rate and fringe benefits finally determined pursuant to paragraphs (b) (2) (i) and (ii) of this section shall be paid to all employees performing in the classification from the first day on which Contract/IGSA work is performed by them in the classification. Failure to pay such unlisted employees the compensation agreed upon by the interested parties and/or finally determined by the Wage and Hour Division retroactive to the date such class of employees commenced Contract/IGSA work shall be a violation of the Act and this contract. (vi) Upon discovery of failure to comply with paragraphs (b) (2) (i) through (v) of this section, the Wage and Hour Division shall make a final determination of conformed classification, wage rate,

and/or fringe benefits which shall be retroactive to the date such class of employees commenced Contract/IGSA work.

(3) If, as authorized pursuant to section 4(d) of the Service Contract Act of 1965 as amended, the term of this Contract/IGSA is more than 1 year, the minimum monetary wages and fringe benefits required to be paid or furnished there under to service employees shall be subject to adjustment after 1 year and not less often than once every 2 years, pursuant to wage determinations to be issued by the Wage and Hour Division, Employment Standards Administration of the Department of Labor as provided in such Act.

(c) The contractor or subcontractor may discharge the obligation to furnish fringe benefits specified in the attachment or determined conformably thereto by furnishing any equivalent combinations of bona fide fringe benefits, or by making equivalent or differential payments in cash in accordance with the applicable rules set forth in subpart D of 29 CFR part 4, and not otherwise.

(d) (1) In the absence of a minimum wage attachment for this contract, neither the contractor nor any subcontractor under this Contract/IGSA shall pay any person performing work under the Contract/IGSA (regardless of whether they are service employees) less than the minimum wage specified by section 6(a)(1) of the Fair Labor Standards Act of 1938. Nothing in this provision shall relieve the contractor or any subcontractor of any other obligation under [[Page 42]] law or Contract/IGSA for the payment of a higher wage to any employee.

(2) If this Contract/IGSA succeeds a contract, subject to the Service Contract Act of 1965 as amended, under which substantially the same services were furnished in the same locality and service employees were paid wages and fringe benefits provided for in a collective bargaining agreement, in the absence of the minimum wage attachment for this Contract/IGSA setting forth such collectively bargained wage rates and fringe benefits, neither the contractor nor any subcontractor under this Contract/IGSA shall pay any service employee performing any of the Contract/IGSA work (regardless of whether or not such employee was employed under the predecessor contract), less than the wages and fringe benefits provided for in such collective bargaining agreements, to which such employee would have been entitled if employed under the predecessor contract, including accrued wages and fringe benefits and any prospective increases in wages and fringe benefits provided for under such agreement. No contractor or subcontractor under this Contract/IGSA may be relieved of the foregoing obligation unless the limitations of Sec. 4.1b(b) of 29 CFR part 4 apply or unless the Secretary of Labor or his authorized representative finds, after a hearing as provided in Sec. 4.10 of 29 CFR part 4 that the wages and/or fringe benefits provided for in such agreement are substantially at variance with those which prevail for services of a character similar in the locality, or determines, as provided in Sec. 4.11 of 29 CFR part 4, that the collective bargaining agreement applicable to service employees employed under the predecessor Contract/IGSA was not entered into as a result of arm's-length negotiations. Where it is found in accordance with the review procedures provided in 29 CFR 4.10 and/or 4.11 and parts 6 and 8 that some or all of the wages and/or fringe benefits contained in a predecessor contractor's collective bargaining agreement are substantially at variance with those which prevail for

services of a character similar in the locality, and/or that the collective bargaining agreement applicable to service employees employed under the predecessor Contract/IGSA was not entered into as a result of arm's-length negotiations, the Department will issue a new or revised wage determination setting forth the applicable wage rates and fringe benefits. Such determination shall be made part of the Contract/IGSA or subcontract, in accordance with the decision of the Administrator, the Administrative Law Judge, or the Administrative Review Board, as the case may be, irrespective of whether such issuance occurs prior to or after the award of a Contract/IGSA or subcontract. 53 Comp. Gen. 401 (1973). In the case of a wage determination issued solely as a result of a finding of substantial variance, such determination shall be effective as of the date of the final administrative decision.

(e) The contractor and any subcontractor under this Contract/IGSA shall notify each service employee commencing work on this Contract/IGSA of the minimum monetary wage and any fringe benefits required to be paid pursuant to this contract, or shall post the wage determination attached to this contract. The poster provided by the Department of Labor (Publication WH 1313) shall be posted in a prominent and accessible place at the worksite. Failure to comply with this requirement is a violation of section 2(a) (4) of the Act and of this contract.

(f) The contractor or subcontractor shall not permit any part of the services called for by this Contract/IGSA to be performed in buildings or surroundings or under working conditions provided by or under the control or supervision of the contractor or subcontractor which are unsanitary or hazardous or dangerous to the health or safety of service employees engaged to furnish these services, and the contractor or subcontractor shall comply with the safety and health standards applied under 29 CFR part 1925.

(g) (1) The contractor and each subcontractor performing work subject to the Act shall make and maintain for 3 years from the completion of the work records containing the information specified in paragraphs (g) (1) (i) through (vi) of this section for each employee subject to the Act and shall make them available for inspection [[Page 43]] and transcription by authorized representatives of the Wage and Hour Division, Employment Standards Administration of the U.S. Department of Labor:

(i) Name and address and social security number of each employee.

(ii) The correct work classification or classifications, rate or rates of monetary wages paid and fringe benefits provided, rate or rates of fringe benefit payments in lieu thereof, and total daily and weekly compensation of each employee.

(iii) The number of daily and weekly hours so worked by each employee.

(iv) Any deductions, rebates, or refunds from the total daily or weekly compensation of each employee.

(v) A list of monetary wages and fringe benefits for those classes of service employees not included in the wage

determination attached to this Contract/IGSA but for which such wage rates or fringe benefits have been determined by the interested parties or by the Administrator or authorized representative pursuant to the labor standards clause in paragraph (b) of this section. A copy of the report required by the clause in Paragraph (b) (2) (ii) of this section shall be deemed to be such a list.

(vi) Any list of the predecessor contractor's employees which had been furnished to the contractor pursuant to Sec. 4.6(i)(2).

(2) The contractor shall also make available a copy of this Contract/IGSA for inspection or transcription by authorized representatives of the Wage and Hour Division.

(3) Failure to make and maintain or to make available such records for inspection and transcription shall be a violation of the regulations and this contract, and in the case of failure to produce such records, the contracting officer, upon direction of the Department of Labor and notification of the contractor, shall take action to cause suspension of any further payment or advance of funds until such violation ceases.

(4) The contractor shall permit authorized representatives of the Wage and Hour Division to conduct interviews with employees at the worksite during normal working hours.

(h) The contractor shall unconditionally pay to each employee subject to the Act all wages due free and clear and without subsequent deduction (except as otherwise provided by law or Regulations, 29 CFR part 4), rebate, or kickback on any account. Such payments shall be made no later than one pay period following the end of the regular pay period in which such wages were earned or accrued. A pay period under this Act may not be of any duration longer than semi-monthly.

(i) The contracting officer shall withhold or cause to be withheld from the Government prime contractor under this or any other Government Contract/IGSA with the prime contractor such sums as an appropriate official of the Department of Labor requests or such sums as the contracting officer decides may be necessary to pay underpaid employees employed by the contractor or subcontractor. In the event of failure to pay any employees subject to the Act all or part of the wages or fringe benefits due under the Act, the agency may, after authorization or by direction of the Department of Labor and written notification to the contractor, take action to cause suspension of any further payment or advance of funds until such violations have ceased. Additionally, any failure to comply with the requirements of these clauses relating to the Service Contract Act of 1965, may be grounds for termination of the right to proceed with the Contract/IGSA work. In such event, the Government may enter into other contracts or arrangements for completion of the work, charging the contractor in default with any additional cost.

(j) The contractor agrees to insert these clauses in this section relating to the Service Contract Act of 1965 in all Subcontracts subject to the Act. The term contractor as used in these clauses in any subcontract shall be deemed to refer to the subcontractor, except in the term Government prime contractor.

(k)(1) As used in these clauses, the term service employee means any person engaged in the performance of this Contract/IGSA other than any person employed in a bona fide executive, administrative, or professional capacity, as those terms are defined in part 541 of title 29, Code of Federal Regulations, as of July 30, 1976, and any subsequent revision of those regulations. The term service employee includes all such persons regardless of any contractual relationship that may be alleged to exist between a contractor or subcontractor and such persons.

(2) The following statement is included in contracts pursuant to section 2(a) (5) of the Act and is for informational purposes only:

(1)(1) If wages to be paid or fringe benefits to be furnished any service employees employed by the Government prime contractor or any subcontractor under the Contract/IGSA are provided for in a collective bargaining agreement which is or will be effective during any period in which the Contract/IGSA is being performed, the Government prime contractor shall report such fact to the contracting officer, together with full information as to the application and accrual of such wages and fringe benefits, including any prospective increases, to service employees engaged in work on the contract, and a copy of the collective bargaining agreement. Such report shall be made upon commencing performance of the contract, in the case of collective bargaining agreements effective at such time, and in the case of such agreements or provisions or amendments thereof effective at a later time during the period of Contract/IGSA performance, such agreements shall be reported promptly after negotiation thereof.

(2) Not less than 10 days prior to completion of any Contract/IGSA being performed at a Federal facility where service employees may be retained in the performance of the succeeding Contract/IGSA and subject to a wage determination which contains vacation or other benefit provisions based upon length of service with a contractor (predecessor) or successor (Sec. 4.173 of Regulations, 29 CFR part 4), the incumbent prime contractor shall furnish to the contracting officer a certified list of the names of all service employees on the contractor's or subcontractor's payroll during the last month of Contract/IGSA performance. Such list shall also contain anniversary dates of employment on the Contract/IGSA either with the current or predecessor contractors of each such service employee. The contracting officer

shall turn over such list to the successor contractor at the commencement of the succeeding contract.

(m) Rulings and interpretations of the Service Contract Act of 1965, as amended, are contained in Regulations, 29 CFR part 4.

(n) (1) By entering into this contract, the contractor (and officials thereof) certifies that neither it (nor he or she) nor any person or firm who has a substantial interest in the contractor's firm is a person or firm ineligible to be awarded Government contracts by virtue of the sanctions imposed pursuant to section 5 of the Act.

(2) No part of this Contract/IGSA shall be subcontracted to any person or firm ineligible for award of a Government Contract/IGSA pursuant to section 5 of the Act.

(3) The penalty for making false statements is prescribed in the U.S. Criminal Code, 18 U.S.C. 1001.

(o) Notwithstanding any of the clauses in paragraphs (b) through (m) of this section relating to the Service Contract Act of 1965, the following employees may be employed in accordance with the following variations, tolerances, and exemptions, which the Secretary of Labor, pursuant to section 4(b) of the Act prior to its amendment by Public Law 92-473, found to be necessary and proper in the public interest or to avoid serious impairment of the conduct of Government business:

(1) Apprentices, student-learners, and workers whose earning capacity is impaired by age, physical, or mental deficiency or injury may be employed at wages lower than the minimum wages otherwise required by section 2(a) (1) or ([Page 45])

(2) (b) (1) of the Service Contract Act without diminishing any fringe benefits or cash payments in lieu thereof required under section 2(a) (2) of that Act, in accordance with the conditions and procedures prescribed for the employment of apprentices, student-learners, handicapped persons, and handicapped clients of sheltered workshops under section 14 of the Fair Labor Standards Act of 1938, in the regulations issued by the Administrator (29 CFR parts 520, 521, 524, and 525).

(3) The Administrator will issue certificates under the Service Contract Act for the employment of apprentices, student-learners, handicapped persons, or handicapped clients of sheltered workshops not subject to the Fair Labor Standards Act of 1938, or subject to different minimum rates of pay under the two acts, authorizing appropriate rates of minimum wages (but without changing requirements concerning fringe benefits or supplementary cash payments in lieu thereof), applying procedures prescribed by the applicable regulations issued under the Fair Labor Standards Act of 1938 (29 CFR parts 520, 521, 524, and 525).

(4) The Administrator will also withdraw, annul, or cancel such certificates in accordance with the regulations in parts 525 and 528 of title 29 of the Code of Federal Regulations.

(p) Apprentices will be permitted to work at less than the predetermined rate for the work they perform when they are employed and individually registered in a bona fide apprenticeship program registered with a State Apprenticeship Agency which is recognized by the U.S. Department of Labor, or if no such recognized agency exists in a State, under a program registered with the Bureau of Apprenticeship and Training, Employment and Training Administration, U.S. Department of Labor. Any employee who is not registered as an apprentice in an approved program shall be paid the wage rate and fringe benefits contained in the applicable wage determination for the journeyman classification of work actually performed. The wage rates paid apprentices shall not be less than the wage rate for their level of progress set forth in the registered program, expressed as the appropriate percentage of the journeyman's rate contained in the applicable wage determination. The allowable ratio of apprentices to journeymen employed on the Contract/IGSA work in any craft classification shall not be greater than the ratio permitted to the contractor as to his entire work force under the registered program.

(q) Where an employee engaged in an occupation in which he or she customarily and regularly receives more than \$30 a month in tips, the amount of tips received by the employee may be credited by the employer against the minimum wage required by Section 2(a)(1) or 2(b)(1) of the Act to the extent permitted by section 3(m) of the Fair Labor Standards Act and Regulations, 29 CFR Part 531. To utilize this provision:

(1) The employer must inform tipped employees about this tip credit allowance before the credit is utilized;

(2) The employees must be allowed to retain all tips (individually or through a pooling arrangement and regardless of whether the employer elects to take a credit for tips received);

(3) The employer must be able to show by records that the employee receives at least the applicable Service Contract Act minimum wage through the combination of direct wages and tip credit;

(4) The use of such tip credit must have been permitted under any predecessor collective bargaining agreement applicable by virtue of section 4(c) of the Act.

(r) Disputes concerning labor standards. Disputes arising out of the labor standards provisions of this Contract/IGSA shall not be subject to the general disputes clause of this contract. Such disputes shall be resolved in accordance with the procedures of the Department of Labor set forth in 29 CFR parts 4, 6, and 8. Disputes within the meaning of this clause include disputes between the contractor (or any of its subcontractors) and the contracting agency, the U.S. Department of Labor, or the employees or their representatives.
